I would definetly recomend it to all my friends. It shows that people do not have to give into peer presure.When carl and Grace are faced with the task of sleeping in the same room at a hotel, whal they are already engaded and to add to that on the same twin bed. They chose the right way to go and not give into temtation.Grace learns to let go and not always Keep a list of who she has to pay back for doing a simple thing as cooking a meal for her and her two kids.Al together This is one of my Favorite Books.0 von 0 Kunden fanden die folgende Rezension hilfreich. Heartwarming and Inspiring!Von Annie JonesA wonderful story with a strong heroine and a man who really earns the title 'hero'. It's a 'can't resist' story that has you rooting for the romance but has

a believable thread of faith throughout. Just the thing to put you in the perfect holiday mood, even if it's not December!  
Can't wait for the sequel!

Kurzbeschreibung  
**A HOME FOR THE HOLIDAYS**  
When Carl Brenner had saved a struggling widow and her small children from spending Christmas in a cold, ramshackle farmhouse, he'd never realized how his lonely life would be forever changed. The storekeeper might have given Grace Mallory a fresh start and renewed her faith in God, but she'd made his house into a home. One filled with laughter, singing and the best home cooking in all of Missouri. And now Carl prayed for God's gift of grace once more. For how else would he ever find the key to unlock Grace's precious heart?
