Von Katy Regnery : Ginger's Heart: (inspired by "Little Red Riding Hood") (A Modern Fairytale Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ginger's Heart: (inspired by "Little Red Riding Hood") (A Modern Fairytale Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Why

does it feel so wrong doing the right thing? (One Republic) Von AnteTwo cousins deeply bonded by blood and friendship yet externally different as day and night. And - at dawn, where night and day meet, on the threshold between childhood and adulthood - a girl. Ginger, whose life-path seems to have been predetermined since birth, and whose heart achingly longs for a different path ... One cherishes and fosters the existent, the other lures and opens new ways beyond the beaten tracks. Little Red Riding Hood, the bad wolf and the good woodman? Well, life isn't that simple and the fairy tale roles in Ginger's Heart aren't assigned that easily. Unlike the fairy tale characters, Ginger, Cain Wolfram and Josiah Woodman aren't that predictable. Katy Regnery sculptured them with corners and edges. And these cracks and flaws breathe life into them. Ginger's Heart leads into a world of love, in its manifold manifestations, a world with sense of duty, allurements, self-deception, and its costs - the price of self-denial. The central dilemma of this story arises from the question of reasonableness and resilience ("It does not matter if you love me ... it would not even matter if I loved you, Ginger, because ... I do not hate him enough to destroy him!"). Misguided, chances are denied, the world confined and limited. "It's all you get! It is to be enough!" - but is it enough? Is it how it should have been - once upon a time? 4.5 stars for grandmothers, wildflowers and a heartbreaking emotional ride. [Honestly, this book gutted me (a procedure the wolf had to endure in the fairy tale, but since I did nothing wrong, Katy Regnery put me gracefully back together). I only wish there had been a different solution] 0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful love-story Von Carolin Jache Gingers Heart is the story of Ginger. She has two best friends in her life since birth, the loyal to a fault Woodman and the wild Cain. They are cousins by blood, but brothers by choice. Ginger always knew, who her heart was beating for. Only problem: Both of the cousins want her, but one set his claim on her before the other could. But is it the man, Ginger loves too? Oh wow, the FEELS!!! Dammit, this book had me crying so much, first from angst, then as the book progressed, from the heartbreak. Honestly, I was in love with the story but I really thought about DNF-ing it at one point into the book. Why? I have a certain pet peeve, that I really hate like nothing else in my books, and in Gingers Heart, this pet peeve has been bright and central. So, even though I can say without exaggerating, that this modern retelling of Little Red Riding Hood is definitely in the list of my favorites for this year, I had a hard time continuing inbetween. But at the end, I can say, that the story made up for everything that made me want to say Nope, I give up. Of course, I can't tell my pet peeve here, otherwise I'd spoil too much. The writing was amazing, I could connect to the characters totally and I FELT everything. All aspects like humor, sadness, steam etc. were balanced perfectly. As for the story itself, I would definitely call it a love triangle. But only in regard of the MCs feelings, there was no bed-hopping whatsoever. Also, I'd shelf it into the category often referred to as tearjerker. I literally bawled my eyes out. But in the end, everything was good again, even if with a little bitter-sweet taste. All in all, I rate Gingers Heart with 5 stars and can definitely recommend it to all fans of books, that make you feel and romance per se. Standalone full-length novel with mature content, 18+ and a HEA. Now I wait (im)patiently for Dont Speak, the next novel in the modern fairytale Collection, which is ought to be here next year.*** An ARC has been kindly provided in exchange for an honest review - also posted on CollectorOfBookboyfriends.com *** 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful and gut-wrenching love story Von Selma I adore Katy Regnery and love each and every book of hers that I have ever read. The moment she announced that she was going to write Ginger's Heart I was thrilled. Then I got anxious because it meant that the modern retelling of Little Red Riding Hood would feature a love triangle. I will be honest with you - I usually avoid them because they make my heart ache and my stomach turn into knots. So I bravely went into this book having faith in this author's writing. I can assure you that there was no physical cheating in this story. But there was emotional one because each of the guys held a part of Ginger's heart in his hands. And she knew that one day she would have to make a choice. It's hard to write about the content of this book because you have to be careful to not give too much away. Trust me that spoilers will only destroy the reading experience for you. You should blindly go into it and let yourself drift away. Virginia - Ginger - McHuid is growing up at her parents' horse farm in Apple Valley. She is leading a prestigious and sheltered life. Her best friends since childhood are the two cousins Josiah Woodman and Cain Wolfram. The two boys couldn't be more different in physical appearance and character. While Josiah is blonde haired and green eyed, Cain has black hair and blue eyes. While Woodman is the popular golden boy everyone loves, Cain is the troublemaker who everyone rather avoids. You will experience these characters' development over the time frame of many years and see them growing up and becoming young adults. Things are going to happen and the three of them are going to make decisions that will change the course of their lives and their relationships with each other One thing is sure here - only one guy is going to conquer Ginger's heart. One wins and the other loses. Who is it going to be? Read this story to find it out! I guarantee you that this book will not leave you unaffected. You are going to be thrilled and frustrated, happy and sad at many times. There will be situations where you would want to shake some sense into the characters, slap them hard but also hug and comfort them. Neither Ginger nor Woodman and Cain are flawless. You will love each of them for different reasons. Teams will be chosen and lines are going to be drawn. But what this author manages is to make you genuinely care for these three characters. Katy's writing style is as always beautiful and captivating. She has one of these rare talents that makes every book an exciting and unforgettable reading experience. Whenever I start one of her stories I know that she will take me on a journey that will be worth each and every minute of it. That was also the case with Ginger's Heart. I

absolutely don't regret giving this book a chance. So should you!

Kurzbeschreibung "I finished Ginger's Heart last night, and I am completely and utterly in love." Mia Sheridan, NY Times bestselling author From New York Times bestselling author Katy Regnery, a modern-day fairytale about the many faces of love. Once upon a time there were two cousins: one golden like the sun, one dark like midnight, one a protector, one a predator, one a Woodsman and one a Wolf both owning equal, but different, parts of a little girls heart. In this contemporary love story, loosely inspired by "Little Red Riding Hood," the woodsman and the wolf are cousins, and Little Red is the girl with whom they both fall in love. Beautiful Ginger McHuid, daughter of Kentucky's premiere horse breeder, grows up on her family farm, best friends with Cain Wolfram, the son of her father's Stallion Manager, and Cain's cousin, Josiah Woodman, son of a local banker. Throughout their happy childhood, the three are inseparable friends, but as they mature into adults, complicated feelings threaten to destroy their long history of friendship and love. **Due to profanity and very strong sexual content, this book is not intended for readers under the age of 18.** All novels in the ~a modern fairytale~ collection are written as fundraisers. Ginger's Heart is part of the ~a modern fairytale~ collection: contemporary, standalone romances inspired by beloved fairy tales. AVAILABLE: The Vixen and the Vet (Beauty the Beast) Never Let You Go (Hansel Gretel) Ginger's Heart (Little Red Riding Hood) Dark Sexy Knight (Camelot) Don't Speak (The Little Mermaid) UPCOMING: Shear Heaven (Rapunzel) Coming Aug 2017 (included in the Royally Mine anthology) Fragments of Ash (Cinderella) Coming Jan 2018 Swan Song (The Ugly Duckling) - Coming March 2018 Kurzbeschreibung "I finished Ginger's Heart last night, and I am completely and utterly in love."
