Great story with a surprise endingVon Ein KundeWhen Detective Vince O'Mally follows a lead for a pedophile/child killer to a sleepy small town where nothing bad ever happens, he is surprised to find himself in the role of protector for the sister of one of the victims. The two find themselves attracted to one another, and attracting the attention of a killer.I truly enjoyed this book! It has great plot, some interesting characters, and a surprise ending that I didn't guess! I'm

usually pretty good at guessing the whodunnit and the so-called twists in the books, but in this case I was surprised. I definitely recommend it!

Von MellIch war skeptisch ein Buch zu lesen, in dem es um Kindesmisshandlungen geht, habe mich dann aber doch entschlossen mich an diese Story zu wagen. Glcklicherweise bewegen sich Shaynes Beschreibungen auch eher um die Einzelheiten der Entfhrungen herum und so konnte ich das Buch ohne grere Probleme und Alptrume lesen. Die Story hielt mich gespannt und ich konnte das Buch kaum aus der Hand legen, da ich unbedingt herausfinden wollte, wie alles miteinander in Zusammenhang steht. Das Ganze entfaltet sich auch nach und nach und gerade wenn man denkt die Story wird langsamer, passiert etwas schreckliches und alles muss pltzlich ganz schnell gehen. Nach einer sehr spannenden Story fand ich das Ende dann leider etwas vorhersehbar und auch ein wenig "weit hergeholt". Trotzdem lohnt es sich dieses Buch zu lesen, wie ich finde.

Nachtrag zur Kindle-Version: Ich habe das Buch auf dem Kindle gelesen und war von der riesigen Menge an Rechtschreib- und Grammatikfehlern berrascht. Ich wei nicht, ob dies auch in den gedruckten Ausgaben des Buches so ist, aber es hat meinen Lesefluss ein wenig beeintrchtigt.

Von ShadowriderMaggie Shaynes gewohnt fesselnder Schreibstil entfhr den Leser hier gekonnt in eine beklemmende Welt des Verbrechens ohne - wie sonst in Thrillern hufig blich - Blut und Eingeweide nur so von den Seiten tropfen zu lassen. Die Autorin zeigt hier, dass echte Spannung spielend auch ohne endlose Schilderung von Abscheulichkeiten aufgebaut werden kann. Die Liebesgeschichte zwischen den beiden Helden ist glcklicherweise nicht schmalzig und erhht somit das Lesevergnen. Daher: Eine klare Kaufempfehlung fr Leser/innen die sich spannende Unterhaltung wnschen.

From Publishers Weekly After promising a distraught mother he'd find her missing children, Detective Vince O'Mally discovers their mutilated corpses in an abandoned house. Tormented by images of the horrific crime scene, Vince is forced to quit the case by his superiors and take a vacation. Instead, Vince heads to Dilmun, a small town in upstate New York, to follow up a seemingly insignificant lead. At the town's tiny police department, Vince meets Holly Newman, a pretty but troubled woman who has never recovered from losing her own sister to a child killer more than twenty years ago. Convinced the cases are connected, Vince pushes Holly to recall long buried memories; in the process, he falls in love with her. With a killer on their trail and another child's abduction augmenting their sense of urgency, Holly and Vince team up with the local police and the FBI to track down the killer. Shayne's (The Texas Brand, etc.) haunting tale is intricately woven, and her quirky supporting characters including a retired horror movie star, his mysterious young niece and an omnipresent Native American physician will capture the reader's sympathy. A moving mix of high suspense and romance, this haunting Halloween thriller will propel readers to bolt their doors at night. Copyright 2001 Cahners Business Information, Inc.
