Von Rebecca Hall : Girl Gone Greek (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Girl Gone Greek (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Im free, Im greekVon BookloverWell done Rebecca. I enjoyed reading it and the more into the book, the more I enjoyed it. This is exactly the way Greece takes you in, takes a hold of you and doesn't let go of you anymore. This is what happens to you, if you give her (yes, she is feminine) a chance and allow yourself to just be in Greece and learn to "just be" there and suck it all in.... I'm free, I'm greek and I want to stay forever!2 von 2 Kunden fanden die folgende

Rezension hilfreich. Sympathisch! Und macht Laune auf Griechenland :) Von Zitronen Eine schne Urlaubslektre oder Einstimmung auf Griechenland. Keine Liebesgeschichte, aber dafr echte Freundschaften und die Liebe zu diesem Land sind Thema des Buches. Lesenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. What I liked about the book " Girl Gone Greek " Von Customer It is beautifully written, especially in depicting the nature of the Greek people with their openness and personal attitudes, which is (to my mind) typical of most of the Mediterranean people.. Customer

Kurzbeschreibung Rachel is finding it increasingly difficult to ignore her sisters derision, societys silent wagging finger and her fathers advancing years. Shes travelled the world, but now finds herself at a crossroads at an age where most people would stop globetrotting and settle. Shes never been one to conform to the nine-to-five lifestyle, so why should she start now? Was it wrong to love the freedom and independence a single life provided, to put off the search for Mr Right and the children? Perhaps she could find the time for one last adventure So with sunshine in mind, Rachel takes a TEFL course and heads to Greece after securing a job teaching English in a remote village. She wasnt looking for love, but she found it in the lifestyle and history of the country, its culture and the enduring volatility of its people. Girl Gone Greek is a contemporary womens fiction novel. When Rachel moved to Greece to escape a life of social conformity, she found a country of unconventional characters and economic turmoil. The last thing she expected was to fall in love with the chaos that reigned about her. After extensive global travels, Rebecca left the UK to return to the country she fell in love with Greece, where she teaches English, writes and wryly observes that the chaotic nature of her adopted country actually suits her personality very well. All travel experiences, particularly living in versatile cultures, have helped to shape who she is today. She is a Rough Guide co-author (Greece and The Greek Islands) and has contributed to numerous publications including Apollo Business Class Magazine for Cyprus Airways and Lets Go for Ryan Air, the Daily Telegraph Travel Section and her container ship voyage from Athens to Hong Kong caught the eye of NPR National Radio in the United States, where she was interviewed twice. When not writing, youll usually find her drinking coffee with friends, or sourcing a new place to eat baklava. Follow her adventures at: www.lifebeyondbordersblog.com www.facebook.com/LifeBeyondBordersBlog www.twitter.com/BeyondBex www.instagram.com/BeyondBex Rebecca now divides her time between her beloved Greece and her home country of the UK, which she's grown to view with new eyes and new appreciation due to her travels.
