**Von Sujata Massey : Girl in a Box (Rei Shimura Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Girl in a Box (Rei Shimura Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Interessantes Setting aber dnne HandlungVon Andreas OtrubaRei Shimura ist wieder in Tokyo! Diesmal dringt sie "undercover" in die Welt der grossen Kaufhuser ein. Was fr Leser der bisher in der Serie erschienen Krimis anfangs interessant klingt, wird mit zunehmenden Fortschreiten der Handlung immer langweiliger. Statt die Frage nach dem

Ter, stellt sich bis zum Schlu eigentlich nur die Frage worum es eigentlich geht. Whrend Figuren und Thema durchaus gelungen sind fehlt fr mich diesmal die Spannung.

KurzbeschreibungChronically underemployed Japanese-American sleuth Rei Shimura has taken a freelance gig with a Washington, D.C., alphabet agency that just might have ties to the CIA. Her mission, should she choose to accept it, is to go undercover as a clerk in a big Tokyo department store. It's a risky assignment, but it also gives Rei a store discount that allows her to freely indulge her shopaholic tendencies. Meanwhile, she's listening in on private conversations, crashing a conference, and fending off the unwanted advances of a couple of the store's executives who seem fascinated by her navel ring. When her cover is blown, Rei is in big trouble. Suddenly she's neck-deep in something very nasty, and it will take all her resourcefulness and unorthodox methods to survive a determined killer.
