Von Chrissie Manby : Girl Meets Ape (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Girl Meets Ape (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Monkey Business! Von Amber I have never read anything by this author before but this was great! I loved the story, characters and writing style and will be looking for more books by this writer. I just couldn't put it down and found myself laughing out loud at some points. What I really liked about this book was the detail. Chris Manby must have spent a lot

of time researching everything for this book and she did a great job! At first I was worried but it was a funny, feel good book and a great ending!

Kurzbeschreibung Dr Jennifer Niederhauser is a brilliant but uptight zoologist. As new head of the chimpanzee project at Prowdes Animal Sanctuary, she thinks she's got it made. But the regime is ramshackle, the chimpanzees uncontrollable and her first meeting with head keeper Guy Gibson finds him naked and covered in baby oil. Worse still Prowdes is virtually bankrupt. Then a TV documentary crew arrives. Exposure could be their economic salvation but there's a problem. The show's presenter, chimpanzee expert Dr Timothy Lauder, is Jennifer's ex-boyfriend. Things could get hairy . . .

Pressestimmen The perfect antidote to the cold winter weather . . . light hearted romp of sun, sea, sand and sex . . . This merry novel should blow away the winter blues. * Hello on SEVEN SUNNY DAYS * It's a great idea for a plot, and Manby's writing more than does it justice * Marie Clare on GETTING PERSONAL * Very funny, hugely feel-good and the perfect antidote for anyone who worries that the only career ladder they've achieved is a run in their tights * Fiona Walker on LIZZIE JORDAN'S SECRET LIFE * Manby has an eye for the intricacies of the female mind . . . Her exploration of friends finding they just might not survive an enforced week away is nothing short of brilliant. * Marie Clare on SEVEN SUNNY DAYS * 'A fast-track, fun romance full of monkey business' * Daily Mail * A deliciously comical novel that's peppered with characters who are so endearing you'll want to take them home and introduce them to your mum . . . GIRL MEETS APE is charming, funny and compelling as your favourite soap . . . it's a rip-roaring good read * Heat *
