Von Charles Sheehan-Miles : Girl of Rage (Rachel's Peril Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Girl of Rage (Rachel's Peril Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 10 stars...if possible :)Von KathrinGirl of Rage is the outstanding sequel of Girl of Lies, that should be read before.Chief character in this series is Andrea Thompson, the youngest of the Thompson sisters, who lived in spain for years and nobody had a clue why she was send away by their parents, Richard and Adelina.As her sister Carrie's baby Rachel is

in danger of a genetic defect, Andrea returns home and gets kidnapped right away. She manages to escape, but from that time on, the whole family faces a severe threat. So many questions turned up in the first book which are answered in *Girl of Rage*. What has their father, Richard Thompson, probably soon secretary of defense of the US, to do with all of it? Why did their mother, Adelina, hide such lifechanging family secrets from all of them? Charles Sheehan-Miles is really a writing-genius. His stories are full of emotions, which make you believe, you're a part of the tale itself. His profound dialogues are realistic and comprehensible. Although there are a lot of leaps in time and flashbacks, the story is easy to follow and never loses the central theme. Though romance and love are important in his novels, the *Rachel's Peril* series focuses on political intrigues, misuse of power and lifelong hidden secrets, that affect the whole family. *Girl of Rage* is a must-read for all, who want to know about the past and future of the Thompson family and who love to be captured by a really thrilling and amazing story. Thank you Charles, for wonderful hours of reading and being part of the Thompson family!! :)

Von MisoWie sollte es anders sein? Auch für dieses Buch von Charles Sheehan-Miles gibt es von mir uneingeschränkte 5 Sterne. Knüpft an "Girl of Lies" nahtlos an, wobei die entscheidenden Details aus *Girl of Lies* (wenn es schon eine Weile her ist) geschickt aufgefrischt werden. *Girl of Lies* ist m.E. ein Muss vorher um "Girl of Rage" zu verstehen. Noch besser vorher auch die anderen Bücher der Thompson-Serie. Vielen Dank an den Autor!! Weiter so.

Ich warte so gespannt auf Buch Nr. 3.

The Thompson family is scattered and in danger, and Andrea's very identity may hold the key to unlock decades of buried secrets. Andrea, the youngest member of the Thompson clan, sets out on a search to find answers. Who is attacking her family? Who is trying to kill her and why? As Andrea seeks her answers, everything she thought she knew about her family will be turned upside down. About The Thompson Sisters

Rachel's Peril is the second trilogy in the Thompson Sisters series. The *Rachel's Peril* novels are a continuous storyline and are not intended as standalone novels (unlike the first trilogy).
