A Hot Read!!Von Valerie BongardsHe is running as candidate for the government, with starch shirt and impeccable suites. She is part-owner of a holiday resort and is in charge of decorating pleasure rooms. He wants to break out of conformity, she is looking for a wild, impulsive male. The minute he overhears her sexual fantasy, he has decided to fulfil it...heck, since the minute he first saw her delectable mouth he was hooked. Can he tame this wild-child for himself? Does he want to? How can these too high-profile people escape the world and it's demands to find their own special kind of love?Joanna Rock has given us a very good story, lots of sexuality, two very different characters who work around their differences, a hero to die for and a heroine to laugh with. I really enjoyed this story and can highly recommend it!0 von 0 Kunden fanden die folgende Rezension hilfreich. an okay readVon Ein KundeThe back cover sounds a lot more interesting than the actual book. There are too many characters talking about too many things that went on beyond and before the current time frame. That irritated me. Then Summer comes off very fake, a wannabe exotic and creative artist that I really didn't see anywhere in the book. No depth. The guy Jackson wasn't so bad for being a stiff politician but also strange that he suddenly had a tattoo that SHE always has to have in her lovers....it just didn't fit his image. Altogether it was a strange book that didn't fulfill the plot as much as it could have. A shame, actually.

KurzbeschreibungWhen it comes to breaking the rules, Summer Farnsworth is an expert. From her wild braids to her vintage bustiers, she lives by her own guide.So how can she explain her attraction to Mr. By-the-Book, Jackson Taggart? Sure, the guy is gorgeous with to-die-for shoulders, but she can't get to those shoulders through all the starch in his shirt! After a few steamy kisses, however, she's willing to play by the rules of seductionif only for a day or two!Jackson knows that life with Summer would be simpler if he just wanted a fling. But something about her uninhibited ways has him captivated and he knows it will take more than a few weeks to satisfy his desire for her. In fact, it could take forever. So, armed with a few sensual moves, Jackson begins his campaign to persuade Summer that the best sparks fly when opposites attract.KurzbeschreibungWhen it comes to breaking the rules, Summer Farnsworth is an expert.
