Potter it still is different enough to enjoy reading. The author has used a topic and followed through quite nicely. I would without doubt recommend books written by this author. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine verhexte Bibliothekarin Teil 1 Von CatNip Eine weitere Umsetzung des "Plötzlich Hexe/Zauberer/Einhorn etc." Themas, noch dazu gar nicht mal schlecht. Jane Madison ist Bibliothekarin aus Leidenschaft und stellt plötzlich fest, dass sie mit ihrem neuen Heim auch eine Sammlung wertvoller Zaubereibücher sowie einen Familiar (den Katzenjungen "Neko") bekommen hat. Zusätzlich zu den privaten Problemen kommen nun also auch noch magische hinzu und Jane muss sehen, wie sie sich mit ihrer neuen Rolle als Hexe arrangieren kann. Ich mag besonders die Darstellung der Magie im Buch, und wie langwierig die Erlernung einfachster Zaubersprüche sein kann. Auch der Charakter von Jane ist sympathisch, besonders hinsichtlich ihrer Tagträumereien vom fiktiven Boyfriend, allerdings ist ihre Interaktion und ihre Beziehung zu den anderen wichtigen Charakteren im Buch ein wenig flach und wird hoffentlich in weiteren Geschichten weiter ausgebaut. Dem Charakter "Neko" hätte man ruhig mehr Spielraum geben können, noch wirkt er etwas oberflächlich. Ich bin jedoch gespannt, wie sich die Geschichte weiterentwickelt... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny with quirky characters Von Hoener, Birgit What's a girl to do when she finds lots and lots of old books in the basement of her new house, and one even prominently displayed? Of course she reads the text - only to find a cat statue suddenly turned into a man maintaining he's her familiar, she's a witch, and oh, the sexy man knocking on her door is now her warder. Jane's dating life is nearly non-existent, although she yearns to date the good-looking professor frequenting the library she works in. Once she unleashes powers she didn't know she possesses, her life is turned upside down. Although I found the narration a bit forced-funny occasionally, on the whole, it was very amusing, with a lot of quirky and sympathetic characters, as many twists in what I thought was a foreseeable plot, and - what I like in a series - a first book which can be read on its own. Would I like to continue this series? Oh yes, I would.

Kurzbeschreibung AUTHOR'S PREFERRED EDITION! A humorous paranormal romance by USA Today bestselling author Mindy Klasky. Jane Madison has a problem. Or two. Or three. She's working as a librarian, trapped in absurd period costumes and serving up expensive lattes in an effort to keep her employer's budget in the black. She has a desperate crush on her Imaginary Boyfriend, a professor who uses her library. Her doting grandmother is determined to reunite her with her long-absent mother. And now she's been told she isn't getting a well-deserved raise; instead, she can live for free in an ancient, dusty cottage on the library grounds. When Jane settles into her new home, she discovers a hidden chamber lined with books: a world-class collection on witchcraft. She begins to read, never suspecting she has the power to work actual magic. Her first spell awakens a smart-mouthed feline familiar. Her second makes her irresistible to men. Those magical workings draw an overbearing astral enforcer, David Montrose. Will magic solve Jane's problems? Or only bring her more disasters? The Washington Witches Series includes: Girl's Guide to Witchcraft, Sorcery and the Single Girl, Magic and the Modern Girl, Capitol Magic, Single Witch's Survival Guide, Joy of Witchcraft, "Dreaming of a Witch Christmas" Categories: Fiction Chicklit, Fiction Chick-lit, Fiction Fantasy, Comic Fantasy, Fiction Fantasy, Genie, Fiction Fantasy, Urban Fantasy, Fiction Romance, Comic Romance, Fiction Romance, Contemporary Romance, Fiction Romance, Humorous Romance, Fiction Romance, Light Romance, Fiction Romance, Paranormal Romance, Fiction Romance, Urban Fantasy, Fiction Romance, Romantic Comedy, Fiction Light Women's Fiction, Fiction Women's Fiction Similar Authors: Deanna Chase, Angie Fox, Tonya Kappes, Kristen Painter, Robyn Peterman 041317 From Booklist Jane Madison, a somewhat timid, fashion-challenged librarian living in Washington, D.C., is none too pleased when she learns her salary is being cut by a quarter. Her supervisor eases the blow by offering to let Jane live rent-free in a small cottage on the library's property. Jane gets more than she bargained for when she discovers a hidden key that unlocks the door to the basement, which is filled with a wide array of witchcraft books. Jane is even more surprised when she recites a spell and it works, calling forth a familiar in the form of a handsome, cheeky gay man and bringing a stern but sexy warder, David, to her door, intent on helping her harness and moderate her newfound powers. Fans of Shanna Swendson's *Enchanted, Inc.* series will find much to love in Klasky's zesty blend of fantasy and romance as well as in her winsome heroine. Enchanted readers will also be pleased to learn that a sequel is already in the works. Kristine Huntley Copyright American Library Association. All rights reserved.
