Von David Foster Wallace : Girl With Curious Hair (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Girl With Curious Hair (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. DO ITVon Ein KundeI have not yet finished the last story, but I couldn't wait. This boy is so bizarrely talented I have no idea where to begin. For sure, not all of the stories are total winners, but damn can this kid write. The different voices, the moral tone, the evocation of time, space, time/space, the absolutely hallucinogenic skill and joy in language. "John Billy" is so damn strange and so damn wonderful, sporting, among other gems, the priceless: "The cleft rigger got

levitationally joined by some other civilians." Get on the stick and ride this puppy.² von 2 Kunden fanden die folgende Rezension hilfreich. David Foster Wallace is wonderfully giftedVon Ein KundeThough the book does have occasional dead spots, the overall inventiveness and the ridiculously assured variety of voices DFW throws at the reader makes it a very worthwhile read, and usually a very fun one as well. It takes fiction places it hasn't often been dragged before.¹ von 1 Kunden fanden die folgende Rezension hilfreich. Wow Wow Wow, a very worthy read indeedVon Ein KundeEach story is a gem in its own space. Wallace pushes the envelope of fiction writing into a place that is worth the effort to follow. Get your dictionary by your side and be prepared for an unexpected ride. My only regret is that some of the stories end unfinished, which is a clever ploy and shows that he does not pander to the American desire for a pat finish. A much easier and fulfilling read than *Infinite Jest*.

KurzbeschreibungRemarkable, hilarious, and unsettling re-imaginings of reality by "a dynamic writer of extraordinary talent" (New York Times Book Review).David Foster Wallace was one of America's most prodigiously talented and original young writers, and *Girl with Curious Hair* displays the full range of his gifts. From the eerily "real," almost holographic evocations of historical figures such as Lyndon Johnson and overtelevised game-show hosts and late-night comedians to the title story, in which terminal punk nihilism meets Young Republicanism, Wallace renders the incredible comprehensible, the bizarre normal, the absurd hilarious, the familiar strange.
