Von Chinua Achebe : Girls at War before purchasing it in order to gage whether or not it would be worth my time, and all praised Girls at War:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Vllig andere WeltVon Oh.Das Buch entfhrt in eine andere Welt. Wenn es auch schon fast 40 Jahre her ist, dass Nigeria von einem Brgerkrieg erschtttert wurde, so geben die Kurzgeschichten doch einen eindringlichen, oft ironischen Einblick in

eine andere, eben afrikanische Wirklichkeit.

Kurzbeschreibung Twelve stories by the internationally renowned novelist which recreate with energy and authenticity the major social and political issues that confront contemporary Africans on a daily basis. From the Trade Paperback edition. Pressestimmen "Chinua Achebe is a magical writer one of the greatest of the twentieth century." Margaret Atwood "It is a measure of Achebe's creative gift that he has no need whatsoever for prose fireworks to light the flame of his intense drama. Worthy of particular attention are the characters. Achebe doesn't create his people with fastidiously detailed line drawings: instead, he relies on a few short strokes that highlight whatever prominent features will bring the total personlaity into three-dimensional life." Time "The power of majesty of Chinua Achebe's work has, literally, opened the world to generations of readers. He is an ambassador of art, and a profound recorder of the human condition." Michael Dorris "He is one of the few writers of our time who has touched us with a code of values that will never be ironic. This great voice." Michael Ondaatje Kurzbeschreibung Twelve stories by the internationally renowned novelist which recreate with energy and authenticity the major social and political issues that confront contemporary Africans on a daily basis.
