KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Vive la difference! Von BJSSexy vampires with attractive bites. The stories are arousing and titillating while not boring the reader with the usual scenes to be expected from erotic literature. If you are looking for something different in the

genre then you should give this book a try. For other good reads try "A PUKKA SWIVER" or Venus in India.

Kurzbeschreibung For bad girls looking for love . . . fangs are more than an accessory. These are no Twilight tales the stories in *Girls Who Bite* are varied, unexpected, and soul-scorching. Best-selling romance writer Delilah Devlin and her contributors investigate vampire myths from around the world, and add fresh girl-on-girl blood to the pantheon of the paranormal. Take a walk on the wild side with some of the hottest erotic romance authors out there. In "La Caida," a Mexican "salt-eater" saves a fallen angel and redeems her own soul. In "Bloody Wicked," a powerful witch's spell to lure a lover turns her into a vampire's love slave. Through a "Pet Door," a shapeshifting vampire meets the dominatrix of her dreams. South African "Impundulu" sweeps you back to a vampire's primeval beginnings. With a list of contributors that include Adele Dubois, Christine d'Abo, Paisley Smith, Myla Jackson, Shayla Kersten, and Vivi Anna, Devlin delivers a dark and sexy read you can sink your teeth into! So, sit astride the dome of St. Peter's Basilica, sail with modern-day pirates, watch a meteor fall to earth, and taste the powdery wings of a Monarch butterfly. Not things you'd expect in a vampire tale? Then sip O-positive from a femoral artery while tugging at the silky strands of your lover's hair. Eternally delicious.
