brings these two together in an adventure I know you will love. Kiya is descended from a long line of Egyptian Kings and Queens, forced into a life of servitude she finds comfort and passion for the older gladiator Erden. Erden is from a very strong line of Northern Bears, these are the strongest, of their kind. This is a different side of Anyas writing. I enjoyed the development of the characters and know that there is so much more that she can branch off of. The romance and love is very different from her previous work. I hope to read more of this style in the future.

GLADIATOR BEAR'S BATTLE-An enthralling sizzling romance. This story focuses on; Erden, a strapping, sultry, gladiator werebear; Kiya, a beautiful princess from Egypt who was taken from her home. What you'll find in this story; a cast of remarkable impressive engaging characters, spectacular story-line, powerful and picturesque scene descriptions, pent up-rage, gripping suspense, life threatening incidents, heart-rending moments, heart-throbbing sensual romance, and a melt your heart conclusion that leaves you content and wanting more. Erden, a gladiator doomed to battle in a Roman arena for entertainment, is now in horrific danger. Kiya, in fear for his life, goes to the forbidden area of the gladiator rooms to warn him of the impending danger. SPECTACULAR-exhilarating well written read by a truly gifted author. An action packed story filled with suspense and steamy romance. The characters are credible and most entertaining. I relished this story a most gratifying read. If you dote on shifter romance this is a terrific choice for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung A bear warrior with a past + A maiden taken from riches to rags + The whole world against them = Passion, blood and fury all in one! Kiya was once a princess of Egyptian royalty, but now she is no more than a slave girl in Rome. Working for a wealthy family, she can only expect a quiet life of servitude. But a wild heart is hard to force quietly into a cage. It only takes one bear of a man to remind her the spirit she has hidden away in her. Erden is a warrior reduced to a life in the gladiator arenas. Fighting for his right to draw breath, the weathered werebear has long given up on a better future. But finding his fated mate in the very same villa where he serves shows him that his days of victory are not past him yet! Erden knows he must protect her from whatever fate has in store for her. Even if it means sacrificing everything. When the gods seem to turn against Erden and Kiya, will these two forgotten souls perish or prosper? Find out in this thrilling paranormal werebear tale set in Ancient Rome! This book is a Historical Ancient Rome BWWM Werebear Shapeshifter Paranormal Romance novella with a HEA ending and is a standalone with no cliffhanger!
