One last Enchantment from the original Royal Historian Von Ein Kunde This is Baum's last contribution to the wonderful series of Oz books. Having had this book for many a year it is good to see it back in hardcover. True there is the Del Ray paperback, but this one is the edition to get your children. Baum's books are still wonderful and magical today. His

writing has a wonderful warmth and originality to it that one doesn't get very often. Even if your children only know of the film it's ok to get this for them. Dorothy and Glinda as well as all the other favorites from the MGM film are here with the new creations of Baum. Don't think this book is dull...far from it. Baum has written a very tightly plotted story with plenty of adventure. With all the original color plates and B/W illustrations from John R.Neil it makes a handsome edition to add to your collection.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was great!Von Ein Kunde"Glinda of Oz" is the 14th and last Oz book written by Baum. It is an excellent book, full of excitement and fun (as are his other books). It is named after the Good witch of the North, Glinda the Good, and though it is not solely about Glinda, it is about the same old friends from all of the other Oz books: Dorothy, the Scarecrow, the Tin Woodman, the Lion, and all the others. This is an absolutely wonderful book, perfect for everyone, young and old.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Ending to a Great Series!Von Ein KundeThis book is a wonderful end to L. Frank Baum's fantastic series. Glinda of Oz is the most exciting and definitely the best book in the series. The book takes you to the strangest areas in Oz and puts our favorite characters in fascinating positions. The book also shows how magical the land truly is. It is a must-have for all Oz fans.
