ReadingVon Ein KundeAwesome!!! I loved it. Delightful and humorous characters and great story line. Johanna and Burr's struggle is so captivating and keeps you on your toes. This is my favorite Garlock book of all. I definitely recommend reading this and Dorothy Garlock's other books.0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Glorious DawnVon virginia langdonWonderful and exciting. I ran the gambit of emotions on this one. Well written and edited. The characters were strong and dominating. I enjoyed it very much. The sex was good without being graphic. Well done.

I loved the villain! I originally named the book BASTARD SONS, but at the time when it was first printed the publisher not only frowned on it, he said a flat NO. Read the book and see if you don't think that would have been a perfect title
