KurzbeschreibungThe goal doesnt count until it crosses the line.Captain of the Dartmouth Cobras hockey team, Dominik Mason, believes his team can make a damn good playoff run. He and his men wont stop fighting until they win the ultimate prize. Theres no doubt when it comes to The Game.Off the ice, theres nothing but uncertainty. His life has been in a holding pattern and its time to move on. Which might be easier without the lifestyle that has lost its appeal. As much as he loved training subs, hes tired of giving his all only to go home alone.Tragedy once brought him closer to Sahara Dionne, the exquisite, yet fragile Ice Girl, but when her abusive-ex darkens her path once again, Dominik cant help but wonder if his friendship might not be the best thing for her.But she craves his touch, his dominance, and his possession. Everything he desires is finally within his reach.All he has to do is take the shot.

den Autor und weitere MitwirkendeBianca Sommerland was born and raised in Montreal, Quebec. When not reading neurotically or writing as though the fate of the world rests on her keyboard, she is either watching hockey or teaching her daughters the beauty of a classic, steel pony while reminiscing about her days in Auto Body Mechanics. Her time is balanced with utmost care between normal family life, and the internal paranormal realm where her characters reside. For the most part, she succeeds.
