NajaVon -Kunde Nicht schlecht mehr kann aber auch nicht sagen, die Story ist nicht der Wahnsinn! Die Geschichte

kann an House of night nicht anknüpfen 3 von 5 Kunden fanden die folgende Rezension hilfreich. I loved it! Von Detra Fitch CC (Christine) Canady's 25th birthday is not going well. Everyone seems to have forgotten her, parents included despite their claim not to have, and it's a lonely night with no TV and a bucket of KFC to celebrate. The next day, she will be on an airplane (which she is terrified of) on her way to a tour of duty in the Air Force. Her fears seem justified when the plane goes down, killing the first man she has been attracted to and dumping her in the sea. All is not lost, a mermaid rescues her, and exchanges lives with her. Christine can not enjoy her new beauty and power for long; an evil merman appears, intent on incestuously raping her. She is saved by friendly dolphins and her mother, Gaea. To keep her safe, she is placed in a land form and sent to a medieval monastery. The catch is she will have to return to the sea every three days, lest she die. In the monk's world, she pretends to be an amnesiac princess. The dangers are not past, though. Life there is unfriendly and a young knight serves as the tool of her enemy. Somehow, she manages to find allies and even love. **** This sweet and funny romance will satisfy all of us who cried at the end of the original Little Mermaid. CC is a smart and funny heroine forced into choices and changes that are painful and difficult, but making the best of things still. **** 0 von 1 Kunden fanden die folgende Rezension hilfreich. Der (bisher) Schwächste der Reihe Von Yue Ich habe auch andere Goddess Summoning Novels gelesen, muss aber sagen, dass ich "Goddess of the Sea" bisher am schwächsten finde. Das beziehe ich allerdings allein auf die Storyline, denn der gefühlvolle Schreibstil von P.C. Cast und die einzigartigen Charaktere finden sich auch in diesem Werk wieder. Alles in Allem Fr Fans der Reihe ein: must read Fr Newbies in dieser Serie: vielleicht lieber mit einem der anderen Bücher anfangen.

Kurzbeschreibung International bestselling author P.C. Cast brings us the magical, sensual Goddess Summoning series, which retells ancient myths with a sexy, modern twist - original, enthralling and utterly unputdownable . . . Home alone on the night of her twenty-fifth birthday, US Air Force sergeant Christine Canady yearns for something to cure her loneliness. After drinking too much champagne, she recites a divine invocation to revive her humdrum life. But how is she to know the spell actually works? When her plane crashes into the ocean, CC's life changes forever. She awakens, bewildered, to find herself in a legendary time and place ruled by magic - and in the body of the mythical mermaid Undine. But danger lurks in the water, ready to swallow CC whole. Taking pity on her, the goddess Gaea turns CC into a damsel so that she might seek shelter on land. When a dashing knight comes to CC's rescue, instead of falling for this dream-come-true, she aches for the sea and the darkly sexy merman who's stolen her heart . . .
