Like going there myself againVon MatthiasI devoured all John Burdett's books for one simple reason- it is like being in Bangkok again myself. I feel, what sets this book (and most others by J.B.) apart from most books is the very nice insight in the Thai and southeast-Asian way of thinking. Often comically overheightened, yet very familiar after my

own cherished time in Thailand Malaysia. Though primarily nice crime stories with a hint of superstition and chaos, these stories are much more- challenging the typical western value system through the thoughts of their protagonists. Love it, give it 6 stars out of 5! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Heier Happen Von Bestseller Wie alle Bcher der Reihe bunt, spannend, abgrndig, exotisch und mit Augenzwinkern. Sonchai reist nach Nepal, trifft einen halb wahnsinnigen spirituellen Fhrer, der seinen Chef eine Riesenladung Heroin verkaufen will, um mit dem Erls den Einmarsch in China zu finanzieren. Authentisch, gut recherchiert, unterhaltsam, spannend und wieder was gelernt. Wie eine Mahlzeit von der Garkche auf Bangkoks Straen: hei, aufregend, befriedigend und macht Lust auf mehr. 0 von 0 Kunden fanden die folgende Rezension hilfreich. it's all about the karma Von Customer The story is thrilling and reflects well on Thai culture. However, this book "only" gets four stars as John Burdett cannot quite reach the level of his earlier books. The episodes where Sonchai is meditating and analysing his karma are a bit too long this time and I was wishing for a bit more action in the murder case. Anyways, it is worth the read, definitely!!

Kurzbeschreibung From the author of the bestselling Bangkok Eight, John Burdett, an exotic, intoxicating new novel featuring Sonchai Jitpleecheep, Thai Buddhist detective extraordinaire. Thai police detective Sonchai Jitpleecheep is summoned to investigate the most shocking murder of his career. Solving it could mean a promotion but, still reeling from a personal tragedy, Sonchai is more interested in an exiled Tibetan lama living in Kathmandu. But there are obstacles in Sonchai's path to enlightenment. Police Colonel Vikorn and Army General Zinna are at war again for control over Bangkok's network of illegal enterprises - and the Tibetan lama has forty million dollars' worth of heroin for sale. With his life in increasing danger, Sonchai is put to the extreme test in John Burdett's most inventive, darkly comic and wickedly entertaining novel yet.
