Von Amy Lane : Going Up (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Going Up (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful, heartwarming storyVon SunneOkay...I actually have a milelong list of other books I should review first but I just finished this one and *sigh*....I'm in love. This is one of Amy's best short stories ever in my opinion. There is a simplicity and clear story, a attraction that simmers slowly and starts to burn. And I fell in love with the love scene. I

never cry at love scenes, I mean, they should be fun - and btw. this one was fun, too - but it was beauty, simple beauty and touching.

Kurzbeschreibung Every dreary day, Zach Driscoll takes the elevator from the penthouse apartment of his father's building to his coldly charmed life where being a union lawyer instead of a corporate lawyer is an act of rebellion. Every day, that is, until the day the elevator breaks and Sean Mallory practically runs into his arms. Substitute teacher Sean Mallory is everything Zach is not: poor, happy, and goofily charming. With a disarming smile and a penchant for drama, Sean laughs his way into Zach's heart one elevator ride at a time. Zach would love to get to know Sean better, but first he needs the courage to leave his ivory tower and face a relationship that doesn't end at the "Ding!"
