Von Tanith Lee : Gold Unicorn (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gold Unicorn (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite enjoyableVon Jennifer MoTanith Lee displays her usual inventiveness in Gold Unicorn; the result is a very satisfactory sequel to Black Unicorn. While not, in my mind, quite as enjoyable as the first one, Gold Unicorn nonetheless remains a well-crafted fantasy in a creative and unusual world. Darker than its predecessor, Gold Unicorn explores Tanaquil's struggles between loyalty to her half-sister Lizra, now the dreaded conquerer, and her own belief

that the ideal world her sister strives for cannot be achieved by war. Added are several complications-- a massive mechanical gold unicorn Lizra has ordered Tanaquil to fix for her war campaign, the mischievous peeve, stinging mousps (a magician's creation formed of mice and wasps), Honj, the enigmatic consort of Lizra...and a hell world to parallel the perfect world Tanaquil saw in the last book. Obviously some people won't appreciate this book, but to those who enjoy Tanith Lee's particular style, Gold Unicorn is the perfect way to spend an afternoon.0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant, ArtisticVon Ein KundeThis book was fantastic. Tanith Lee is a master craftsman. This is a dark book, giving insightful glimpses into the destructive, shallow side of human nature - something unusual in a young adult fantasy. The characters are many-sided and intriguing, particularly the Empress, and Honj. Tanaquil's mixed feelings about them add depth and realism. The subtle romantic tension also adds spice to the story, as the twist at the end. I'd recommend this to anyone who likes thought-provoking, entertaining stories.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the Dullest Fantasies for FemalesVon Ein KundeThis book was the typical fantasy, it was full of overused cliches and was just plain dull. The cover was terrible also. Something by Tamora Pierce (Alanna: the first adventure) and Sherwood Smith (CROWN DUEL and COURT DUEL) are more of my types.

KurzbeschreibungTanaquil, a young mender, and her familiar come face to face with her half-sister, Lizra, who forces Tanaquil to make a perilous choice between siding with Lizra in her quest for conquest or risking her terrible anger.KurzbeschreibungTanaquil, a young mender, and her familiar come face to face with her half-sister, Lizra, who forces Tanaquil to make a perilous choice between siding with Lizra in her quest for conquest or risking her terrible anger.Synopsis A sequel to BLACK UNICORN, in which Tanaquil and her talking 'familiar' journey across different lands and learn of the Empress Veriam and her insatiable desire to expand her domain by conquest. Tanaquil is shocked to discover that this woman is also in fact her half-sister Lizra. From the author of VIVIA and DARKNESS, I.
