**Von Melissa Pearl : Golden Blood (Time Spirit Trilogy Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Golden Blood (Time Spirit Trilogy Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Spannendes Jugendbuch um Zeitreisen und eine verbotene Liebe. Von Kathy Auch wenn es nur ein Jugendbuch ist, so ist die Idee der Zeitreise spannend umgesetzt, d.h. nur bestimmte Blutlinien knnen zeitreisen. Gleichzeitig ist es eine

schne Liebesgeschichte zwischen Gemma und Harrison, die um die Liebe kmpft, die ihre Eltern ihr verbieten. Ich habe mir gleich die folgenden Bnde geholt und es nicht bereut. Auch meiner Tochter haben die Bnde gut gefallen.1 von 1 Kunden fanden die folgende Rezension hilfreich. I expected something better...Von claudia dThe book description sounds better than the book itself.It is not a bad read, but it is less than I expected. The author could have done more with the story, considering that the idea of time travelling is very appealing to many readers.I'm not sure whether I will buy the next books in the series...1 von 1 Kunden fanden die folgende Rezension hilfreich. Klasse Buch mit kleinen MngelnVon Vivi S.Das Buch kann man gut in einem durchlesen, ohne das es langweilig wird. Allerdings hatte ich an manchen Stellen das Gefhl schon zu wissen wie es weitergeht. Aber das ist bei der ganzen Fantasy-Welle ja nicht ungewhnlich. Habe mir jetzt auch das zweite Buch geholt, da ich wissen mchte wie es mit Gemma und Harrison weitergeht und auch was Gemmas Eltern im Schilde fhren...

KurzbeschreibungThe first book in a fast-paced, mystery-filled romance trilogy that will take you through the ages...Gemma Hart never knows when her father is going to whisk her back in time. Her toes start tingling and she has a few minutes to find a secret haven where she can disintegrate and appear in another time and place. While across the line, her training and skills are put to the test as she completes a mission that will change history for the lucky few her father has selected. Gemma's parents are adamant that secrecy is paramount to her familys safety. If people knew what they were capable of, they could be "used and abused", as her mother always says. Afraid she might accidentally utter the truth and break the ancient oath of her people, Gemma spends her school days as a loner. Only one thing can throw her sheltered life askew... Harrison Granger.Harrison never expected to talk to the strange Hart girl, but after a brief encounter he can't stop thinking about her. He begins a campaign to chisel away her icy veneer and is met with unexpected consequences. As he slowly wins this girl over, he enters a surreal world that has him fighting to keep his newfound love and his life.Other books available in the trilogy:Black BloodPure BloodKurzbeschreibungThe first book in a fast-paced, mystery-filled romance trilogy that will take you through the ages...Gemma Hart never knows when her father is going to whisk her back in time.
