Von Peter Gault : Goldenrod (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Goldenrod (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
iconoclasticVon Ein KundeGault writes a refreshing, uninhibited tale of youth. For those of us who are older, the book can leave you pining for days past. You know - it's the old romantic agony - you want to go back but can not. Some Puritans may find the book sexist and downright dirty, and I even could have done without all the scatalogical

references, but hey - it is what it is. A good read.0 von 0 Kunden fanden die folgende Rezension hilfreich.
Goldenrod --- Shoots and Scores!!!Von Ein KundeIn this book the author, Peter Gault, captures what it is like growing up with testosterone surging through your body. It brings back memories to the men, warns the boys, and probably scares all persons female. By far my favorite book0 von 0 Kunden fanden die folgende Rezension hilfreich. Says It AllVon Ein KundePeter Gault is by far and away one of the greatest, most uncelebrated, authors of our time. Goldenrod is a CLASSIC that will make you wanting more.

KurzbeschreibungThis irrepressible first novel appeared in Canada, in 1984, and concerns a perfect golden boy who, when he finishes high school, has it all. Hes handsome and smart, the star of the hockey team, has a beautiful girlfriend, seven sisters and a mother who fawn over him, and three dogs that adore him. He is a strutting peacock, a prima donna whose narcissism knows no bounds. And then, he goes off to college and his downfall. And from his lofty height, when he hits the dirt, his poignant and comic landing makes a very loud noise.
