**Von Deborah Bladon : GONE - Part One (The GONE Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised GONE - Part One (The GONE Series Book 1) (English Edition):

Kurzes LesevergnenVon S.Bei ganz guten Kritiken und nur 0,99 Euro Kosten fr die e-book Version ist "Gone Part1" ein gnstiges aber kurzes Lesevergnen. Dies war auch der Kaufgrund fr mich. Das Buch liest sich einigermaßen flssig,

die Protagonistin weckt aber zwiespältige Gefühle in mir. Einerseits gibt sie sich sehr selbstbewusst und im Leben stehend, dann kommt der Typ ins Spiel und sie benimmt sich zum Teil wie ein dummer Teenager. Im ersten Teil der Serie ist dies zum Glück noch nicht so ausgeprägt, aber dennoch vorhanden. Aber hier sind noch einige witzige Szenen oder originelle Dialoge zu finden. Das Ende ist ein deutlicher aber in meiner Sicht gekünstelt gewollter und unnötiger Cliffhanger. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Immer gleiches Schema Von Christine Amato Alle Romane der Autorin laufen gleich ab. Es wird langweilig zu sehen, dass ganz New York oder Boston verwandt oder verschwägert ist 0 von 0 Kunden fanden die folgende Rezension hilfreich. unglaublich Von Britta Sondermann oh mann, was für ein Ende! ich warte jetzt schon ungeduldig auf den zweiten Teil. hoffentlich geht es so spannend weiter

**Kurzbeschreibung** The first part of GONE, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon. Sending a half-naked picture to a stranger she met online, seems innocent and fun to Lilly Randall. After spending the past four years working towards an honors degree, she needs a distraction and flirting with a man she doesn't know can't hurt, right? Clive Parker is the one man who holds all of Lilly's dreams in the palm of his hand. He's the CEO of one of the world's largest technology firms. When her picture ends up in his pocket, her future will never be the same again. She wants him to see her potential. He questions her motives. Neither can deny the unexpected attraction that exists between them. When Clive's doubts begin to push them apart, Lilly is forced to face the reality that nothing in life is guaranteed and in the blink of an eye, everything you value can be gone. Note: This ends in a cliffhanger. Parts Two and Three will be released within the next few weeks. The entire series is now complete and available as a bundled set here on !

**ber den Autor und weitere Mitwirkende** New York Times and USA Today bestselling author, Deborah Bladon, has never read a romance hero she didn't like. Her love for romance novels began when she was old enough to board the bus, library card in hand to check out the newest Harlequin paperbacks. She's a Canadian by heart, and by passport, but you can often spot her in New York City sipping a latte and looking for inspiration for her next story. Manhattan is definitely her second home. She cherishes her family and believes that each day is a gift for writing, for reading, and for loving.
