Von Carola Dunn : Gone West (A Daisy Dalrymple Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gone West (A Daisy Dalrymple Mystery):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Diesmal sofort gefesseltVon Fuchs JoanNachdem ich mit den letzten Bnden etwas Mhe hatte, findet die Autorin hier zur alten Form zurck, wenn das Ende dann ev etwas banal ist. Die Geschichte ist spannend, gut lesbar und gegend vertrackt. Daisy wird diesmal von einer alten Schulfreundin kontaktiert, welche befurchtet, dass im Hause ihres Arbeitgebers etwas nicht so ist, wie es sein sollte. Das bewahrheitet sich leider nur allzu bald und schon wir Daisy's Sprnase wieder

gefordert. Ein charmanter Band einer doch charmanten Reihe.0 von 0 Kunden fanden die folgende Rezension hilfreich. Just great! Von Sabine John Set in the US in the "not so roaring twenties"... historically true, yet charmingly romantic and thrilling at the same time =)

Kurzbeschreibung Daisy's hot on the trail of a murdered writer! September 1926, and Daisy's in Derbyshire, visiting an old school friend who's currently employed by a novelist as his personal secretary. Sylvia Richmond has asked Daisy to investigate discreetly as she suspects something is seriously amiss with him. Upon arrival, Daisy finds a household of relatives and friends all living off the hospitality of Humphrey Birtwhistle who has been supporting them through his pseudonymous Western sales. When he took ill a while back Sylvia carried on penning the books, only to find that her versions led to an increase in sales and advances. And now she fears someone in the house is poisoning Birtwhistle to keep him ill and keep Sylvia writing the better paid versions. Before Daisy can even begin a bit of decent investigating however, Birtwhistle dies under suspicious circumstances - and Daisy now faces a death to untangle with a household of suspects... and a husband who is less pleased to find his wife in the centre of a murder investigation! Praise for the Daisy Dalrymple series: Cunning... appropriate historical detail and witty dialogue are the finishing touches on this engaging 1920s period piece. Publisher's Weekly As always, Dunn evokes the life and times of 1920s England while providing a plot that is a cut above the average British cosy. This will delight readers who love country-house mysteries. Booklist For fans of Dorothy L. Sayers' novels. Library Journal Pressestimmen Cunning... appropriate historical detail and witty dialogue are the finishing touches on this engaging 1920s period piece.
