Brilliant!Von RumpelIch habe schon alle Teile auf Deutsch gelesen und war so begeistert, dass ich den ersten Teil noch einmal auf englisch lesen musste. Die Sumpflochsaga ist eine der besten Serien, die ich je gelesen habe! Spannend, herzlich und immer stimmig und gut durchdacht. Danke fr diese Bcher!0 von 1 Kunden fanden die

Short descriptions and interesting characters and good style and everything.But, yeah, there's a great BUT: I want to read the sequel in English and it's not on the market yet.0 von 0 Kunden fanden die folgende Rezension hilfreich. einfach genialVon petra hossfr die Schule solten wir ein englisches Buch lesen- welches kommt da eher in Frage als die Sumpfloch saga. Ganz ehrlich, es war das erste mal das ein Schulprojekt Spass gemacht hat. Sogar ich mit meinen 12 Jahren konnte verstehen was passiert. Einfach super!

KurzbeschreibungWhat happens when three girls like you and me are spirited away to another world where half-vampires, toad-headed teachers, and magic subjects at school are completely normal? The outcome is inevitable: sooner or later they will all end up in the fortress of Swampy Hollow, a school for children who are either magically untalented, poor, considered a threat, or otherwise lost. Life at this school is dangerous enough, but to make things worse, the evil Cruda that abducted the girls from our world wants to get hold of them. And it does not exactly help that there are also boys with dark secrets, who are just the type human girls like to fall in love with The Amylett SagaBook 1 - Gone With The Fairy WindsBook 2 - Darkened Hearts And Starlit Hopes (Winter 2014)Book 3 - Mermaids Gold And Vampires Blue (Summer 2015)KurzbeschreibungWhat happens when three girls like you and me are spirited away to another world where half-vampires, toad-headed teachers, and magic subjects at school are completely normal? Halo Summer thinks that it can only be fathomed by telling stories. Fantasy stories, preferably. So thats what shes doing besides her job as an editor for childrens and teens magazines. Halo Summer lives with her husband and her dog on the edge of a forest, somewhere between an old graveyard, the moon, and the large city the graveyard belongs to. In Halos home country five volumes of the Amylett Saga have already appeared. With 100,000 copies sold Halo Summer is one of the most successful self-publishers in Germany.
