StrangeVon Renate DietzeltAccording to Wikipedia:Thriller is a genre of literature, film, and television programming that uses suspense, tension, and excitement as its main elements.[1] Thrillers heavily stimulate the viewer's moods,

giving them a high level of anticipation, ultra-heightened expectation, uncertainty, surprise, anxiety and terror. Films of this genre tend to be adrenaline-rushing, gritty, rousing and fast-paced. I am on page 94 and still waiting for the above mentioned ingredients. In my opinion it is a quite boring novel. 0 von 0 Kunden fanden die folgende Rezension hilfreich. book Von cilaService gut. Das Buch ist zu empfehlen. Habe sehr gute Erfahrung mit Billingham Bücher. Die Spannung hält an bis zum Schluss. Und dann folgt ein Twist am Ende Klasse. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A super exciting crime novel Von Babsi Here you can look deep into the souls of people and what can happen if you trigger hard oppressed emotions. I have not finished the book yet, but I am hooked.

**Kurzbeschreibung** Police officer Helen Weeks walks into her local newsagent's on her way to work. It's the last place she expects to be met with violence, but she is about to come face to face with a gunman. The hostage-taker is desperate to know what happened to his beloved son, who died a year before in youth custody. By holding Helen at gunpoint, he will force a re-investigation into his son's death. And one man knows the case better than any other - DI Tom Thorne. As the body count rises, Thorne must race against time to bring a killer to justice and save a young mother's life. **Pressestimmen** "The tenth outing with London detective Tom Thorne starts out as a conventional hostage novel, but then skillfully explores guilt, cultural differences and injustice." Florida Sun-Sentinel, 2012's Best Crime Fiction "Ingeniously constructed...this great novel should put Billingham in the same league as Ian Rankin, Peter Robinson, John Harvey and Denise Mina. A breakthrough novel." Kirkus (starred review) "A tightly plotted and suspenseful thriller sure to please fans of the genre." Library Journal "One of the most consistently entertaining, insightful crime writers working today." Gillian Flynn "With each of his books, Mark Billingham gets better and better. These are stories and characters you don't want to leave." Michael Connelly "Tom Thorne is the new superstar detective...Mark Billingham is the new-wave leader of crime fiction." Lee Child **Werbetext** Thorne is back, and bigger than ever
