Von Jan Burke : Goodnight, Irene (Irene Kelly Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised Goodnight, Irene (Irene Kelly Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Knockout Debut!Von Nancy JonesIf my review prompts just one person to check out this new series, I will be happy

indeed. In this first book, Irene Kelly goes back to her old job as reporter after the bombing murder of O'Connor, her best friend and former mentor at the newspaper. It seems that O'Connor had been about to make a breakthrough on a thirty-five year old case of an unidentified murder victim. The victim was a young, pregnant woman. Her hands and feet had been cut off and her face smashed to prevent identification. When Irene and Frank Harriman of the Las Piernas police become involved in the case, bodies start piling up too fast to keep count. Ms Burke's theme seems to be that past misdeeds will always come back to haunt us. This is a theme that also echoes through her work in later books. If you're a mystery fan, you definitely should check out this new series. It's well written, with fine character development, and intelligent plotting. I highly recommend it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A knockout thriller! Von K. L Sadler It's getting a bit difficult for me to find new mystery writers that write well as well as spin good plots and do a good job on character development. I guess I read too much too fast. Anyway, I think I read this in two nights. Considering I work, and I am finishing my doctorate... I think that is a good indication of how much I enjoyed Burke's tale. Plan on reading more in the near future of hers..... 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Gripping and Believeable Tale Von gilley@cab.latech.edu Irene Kelly is an intense and engaging character. The story line is superb and the mystery is detailed and intricate. This is destined to be a successful series of books. It was hard to put this one down!

Kurzbeschreibung For thirty-five years the identity of the dismembered woman found under the Las Piernas pier has remained a mystery. What secret did she take to her grave? Southern California reporter Irene Kelly has uncovered a maze of forensic records and confidential files that suggest a motive far more sinister than anyone imagined. The discovery has brought her close to Detective Frank Harriman, and closer still to exposing a killer who will resort to anything to keep his secrets buried -- and Irene silenced forever. Kurzbeschreibung For thirty-five years the identity of the dismembered woman found under the Las Piernas pier has remained a mystery. What secret did she take to her grave? Southern California reporter Irene Kelly has uncovered a maze of forensic records and confidential files that suggest a motive far more sinister than anyone imagined. The discovery has brought her close to Detective Frank Harriman, and closer still to exposing a killer who will resort to anything to keep his secrets buried -- and Irene silenced forever. Synopsis When veteran reporter O'Connor is blown to bits by a bomb, while close to solving the murder of an unknown woman which took place back in 1955, his closest friend Irene Kelly takes it upon herself to find out who silenced her colleague. But she quickly becomes the killer's next target.
