**Von Portia Da Costa : Gothic Blue (Black Lace)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gothic Blue (Black Lace):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gothic Blue - sex with a bit of thought behind it. Von Kate Hardy, MB Romance author If you're looking for an erotic tale

that's just that bit different and something that makes you use your brain - rather than the hackneyed 'we're all part of a secret society' - this one's for you. Gorgeous characters, decadent surroundings, fabulous sex... it's a book you can enjoy on a surface level, and then enjoy again at a deeper level when you recognise the subtleties in the plot. I won't give any secrets away, but there's something very X-files ish about the paranormal world Belinda discovers. Enjoy it!

I bought it because it got 5 stars each from 2 other readers and I expected "fabulous sex in several variations". Well, there are a lot of variations addressed in it, but that is not the same as going into detail. And to hear all the time how the nipples of whoever "reacted strongly to ....", does not get more fascinating just because you read it every 5 pages. If you really want to read about sexual adventures with lots of variations and you like a little bit more detail, then enjoy "The Hand of Amun". Now that's a book that earns its 5 stars!

Von Ein Kunde Loved this novel - a mysterious treat with a real, gothic fantasy story as well as masses of hot and varied sex. Full of delicious, explicit perviness, a dash of s/m, a smidgen of lesbian action, and even a bit of old fashioned erotic romance... Something for everybody!

**Kurzbeschreibung** An erotic paranormal romance... At an archduke's reception, a handsome young nobleman falls under the spell of a malevolent but irresistible sorceress. Two hundred years later, Belinda Seward also falls prey to sensual forces she can neither understand nor control. Stranded by a thunderstorm at a remote Gothic priory, Belinda and her boyfriend are drawn into an enclosed world of luxurious decadence and sexual alchemy. Their host is the courteous but melancholic Andr von Kastel; a beautiful aristocrat who mourns his lost love. He has plans for Belinda - plans which will take her into the realms of obsessive love and the erotic paranormal.
