Das ist eine Geschichte fr die Seele, mit so viel Phantasie, Humor und Sprachwitz, dass ich oft laut lachen musste.Einen Punkt ziehe ich allerdings ab fr die leicht abstrusen Entwicklungen gegen Ende (am Wasserfall und danach)0 von 0 Kunden fanden die folgende

Kurzbeschreibung Grace Barnum's life is precariously balanced on sensible choices and uncomfortable compromise. She dutifully edits textbooks that, she fears, may be more harmful than helpful to kids. She is engaged to a patent attorney who is steady and reliable. She has a cautious relationship with her fascinating father, a renowned New York painter, and she prefers her mom slightly drunk. Always a planner, Grace feels prepared for most eventualities. Until the responsibility-challenged Tyler Wilkie shows up. Fresh in town from the Poconos, Tyler has warm eyes, a country drawl, and a smile that makes Grace drop things. Worst of all, he writes devastating songs. About her. Tyler reaches something in Grace, something she needs, but can't admit to. Something she wants, but won't succumb to. Tyler Wilkie loves Grace Barnum and ruins everything. And Grace grows. Pressestimmen A charming debut of mismatched people finding happiness. It's a well-trodden path beautifully executed. * The Bookseller * Shelle Summers' Grace Grows is the literary version of a Nora Ephron rom-com; a 21st century When Harry Met Sally. * The Hoopla * Like a favourite box of chocolates, it's easy to devour. * Herald Sun * This is a book that is fun to read, rewarding to finish, inspiring to remember. * Newcastle Herald * Kurzbeschreibung Grace Barnum's life is precariously balanced on sensible choices and uncomfortable compromise.
