Von Sara Kingston : Grace's Final Submission [Locks and Chains 1] (Siren Publishing Menage and More) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grace's Final Submission [Locks and Chains 1] (Siren Publishing Menage and More):

Kurzbeschreibung[Menage and More: Erotic BDSM Menage a Trois Romance, M/F/M, public exhibition, spanking, sex toys] After leaving her unhappy marriage, Grace Sinclair starts a path to self-discovery. Days after joining a

BDSM club, she finds herself willingly auctioning herself as a slave to be trained. Never in her wildest dreams a year ago would she have imagined herself here, the ball-busting ice queen becoming a submissive slave for six months. Michael Cooper and Jason Smith have been long-term friends and are sick and tired of searching for their perfect submissive. They decide to purchase a slave to give themselves six months of peace and relaxation, not to mention a slave at their beck and call to satisfy any cravings or desires they may have. Together the three discover how not only a relationship between three people can be difficult, but throw in a Dom, a switch, and a slave who thinks she is only a sub, and you have a house full of tension, frustration, and fiery passion. ** A Siren Erotic
