**Von Jackie Barbosa : Grace Under Fire (Mills Boon Spice Briefs)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grace Under Fire (Mills Boon Spice Briefs):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.  
ungewhnlich aber gut Von Isabella Norton Ich mag Jackie Barbosas Stil. Sie schreibt leicht und flssig und auch diese  
Geschichte hat mir einen Tag verschnert. Die Dreieck Kostelation ist zwar eher ungewhnlich aber gut nach zu  
vollziehen.

Kurzbeschreibung Lady Grace Hannington is the most inaptly named debutante in all of London. Cursed with two left feet, hands that are nothing but thumbs, and a stutter, she's certain to spend the next five years on the wall and the rest of her life on the shelf. Or so she believes, until her clumsiness pitches her literally into the arms of Lord Colin Fitzgerald and his best friend, Atticus Stilwell. Colin and Atticus have been inseparable since a shared boyhood tragedy brought them together more than twenty years ago. Though it raises eyebrows, they share everything including women. This particular quirk has made it all but impossible for Colin, whose title and lands will revert to the crown if he doesn't have a legitimate heir, to find a respectable lady who's willing to be his wife. When a stroke of good fortune and a little intervention from a well-placed foot gives the two men a golden opportunity to show the lovely and lonely Lady Grace she's not quite so gauche as she believes, they play it (and her) for all they're worth. But once she's discovered her true talents lie not on the dance floor but in the bedroom, Grace must decide whether a scandalous marriage that's sure to ruin her reputation is what she really wants.
