Von Jana Oliver : Grave Matters (Demon Trappers) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Grave Matters (Demon Trappers) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Don't miss out on this novella. It's a great addition to the Demon Trappers series.Von MinaNote: this is book 4.5 in the Demon Trappers YA/UF series and you'll savor it the most, if you know the prior books.ReviewIt's a rare thing that a

novella in a series is as good as the main books are, but *Grave Matters* accomplishes that. I didn't know about the continuation of the series and I'm glad I found out! If you thought all is said and done after the near miss *Armageddon* and Riley making deals with heaven and hell to save humankind, you thought wrong. There is a never-ending supply of people craving power by summoning and as Riley is about to find out in *Grave Matters*, they are everywhere. Even in Scotland, where she is headed to visit her lover Denver Beck. Since he slew a fallen angel, he is admitted to train to become a grand master in the headquarter mansion in the Highlands. As things usually turn out with Riley and Beck, nothing goes according to plan and I was thrilled how J. Oliver managed to crush so much mystery and misery in just over 160 pages. Really, this is a full-fledged story that has all that makes it a five-star book and it lays the ground for some new developments that I can't wait to read about in the next installment.

Kurzbeschreibung A Demon Trappers Novella A legendary Demon Trapper, Riley Blackthorne frequently battles with Hells minions. So when she travels to Scotland to meet up with her hunky boyfriend, and celebrate her eighteenth birthday, shes thrilled at the chance to leave Atlanta and its troubles behind. Denver Beck, who has been studying for months to become a Grand Master a rare and highly dangerous job -- is just as eager to see his girl. Hes anticipating a romantic reunion, keen to take their relationship to the next level. But Rileys twisted history with Hell has garnered unwelcome interest by people willing to use her for their own purposes. Trouble is brewing in the land of the heather, the kind that will drive a wedge between her and Beck, and prove the ultimate test of their love . . . and their survival skills. Bonus content includes demon illustrations and two Demon Trappers short stories.
