Von Lina Gardiner : Grave New Day (Jess Vandermire, Vampire Hunter Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Grave New Day (Jess Vandermire, Vampire Hunter Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Htte sich die Autorin nur nicht derart zusammenkrzen lassen ...Von Harper A.Ich will eigentlich fnf Sterne geben, weil ich die

Reihe liebe und auf Fortsetzung hoffe, aber ich denke, Gardiner hätte mehr daraus machen können, wenn sie sich gegen Kränkungen stärker gewehrt hätte. Lektoren sind nicht der Wahrheit letzter Schluss und hier haben sie dem Buch eindeutig geschadet. Beim Lesen hatte ich ständig das Gefühl ungeschmeidiger bergiger und fehlender Textpassagen, die dem Leser die Protagonisten und deren Welt näher gebracht hätten. Das hört sich alles sehr negativ an, dennoch ich liebe die Serie und ihre Protagonisten, die Ideen sind ungewöhnlich und weit ab von Black Dagger und Co, ohne den Großen des Genres nachzustehen. Man sollte sie nicht verpassen und wie gesagt ich hoffe auf eine Fortsetzung, da der dritte Band mit einem Cliffhanger endet.

Kurzbeschreibung . . . a very satisfying ending. RT Book s . . . a fast-paced urban fantasy that grips fans of the series from the beginning to the cliffhanging climax that ties up some threads, but adds new dangles. Genre Go Round s Jess Vandermire, Vampire Hunter. . . Tough vampire cop, Jess Vandermire, fights against her unholy brethren in New York City to protect the two men she loves more than life itself. But Jess is waging a personal war, too, to save the tiny shred of soul she has left. If she loses, so does the city . . . Captain Jess Vandermire is facing the hardest decision of her life: become human again and regain her soul, or remain a vampire forever and fight an ancient evil that is a threat to every human on the planet. Ensnared in a plan that might go terribly wrong, she has little choice. As a human, she can't fight the ancient enemy. Then a mysterious stranger shows up and offers to help. She discovers her entire existence has been leading up to the challenge ahead: a challenge that has insurmountable odds. And if she doesn't win, every human on the planet will pay the price . . . Lina Gardiner, award-winning author of the Jess Vandermire, Vampire Hunter Series, has writing in her blood. Her books have been well received by such reviewers as Kirkus s and USA Today's HEA blog, including a 4.5-star rating from RT Book s and a nomination for a Romantic Times Readers Choice Award. On the home front, Lina lives in New Brunswick, Canada, a hot spot for legendary ghosts, tall tales and odd happenings, which probably add to her love of a good mystery. The spooky stories her grandfather told his grandchildren in the "parlor" when their grandmother wasn't paying attention didn't hurt either . . .
