Von Sabrina Devonshire : Greek God (Navy SEALs of Valor Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Greek God (Navy SEALs of Valor Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow!Von B NelsonHow often do you get a gripping read, with real tension and action combined with steamy and intelligent romance? Not too often. But Greek God (Navy SEALs of Valor Book 4) by Sabrina Devonshire, delivers

that and more. It may sound cliché but it really is impossible to put down. Great locations and Wonderful characters. Recommended. Five stars.

KurzbeschreibungMeet Greek God number one, Darryl Jennings. Hes a Petty Officer First Class with DEVGRU. Greek God number two, Nathan Brooks has retired from the Navy, but still works as an operative for the U.S. Department of State. And last, but certainly not least (the mans serious eye candy), theres Greek God number three and SEAL Team member Karl Patterson. The three rendezvous on the Greek Island of Lefkada; not for a mission, not for routine rest and relaxation, but for a wedding. CIA agent Olivia Simpson, former Air Force pilot Baylee Stiles and broadcast journalist, Jamie Phillips are also headed for this idyllic island on the Ionian Sea. One of these ladies is a bride-to-be. One suffers from a broken heart. And the other woman is about to be targeted by a band of pissed-off Muslim Alliance terrorists. (Reading the previous books in this series might heighten your enjoyment of Greek God, but sufficient background on each character is provided to make this a satisfying stand-alone read)

She also studied writing in Arizona and northern California and has a M.S. degree from the University of Arizona.
