Mal und bin immer wieder begeistert. Ich spre jedes mal beim Lesen das Land, die Sonne und die Wildnis. Nicht zum ersten Mal beneide ich die Protagonisten, um diese einzigartige Erfahrung in der Natur. Ein Buch, dass keinen Wunsch offen lsst: Herz, Schmerz, Abenteuer und Spannung verpackt in eine Familiengeschichte.0 von 0 Kunden fanden die folgende Rezension hilfreich. Schmker

fr Keniareise Von Vivian Ward Ich habe das Buch am Strand in Kenia geradezu verschlungen. Die Geschichte Kenias wird in dem Roman schon aufgearbeitet und leicht verdaulich vermittelt. Das macht natürlich doppelt Spaß, wenn man gerade vor Ort ist. Daneben gibt es jede Menge Liebe und Abenteuer. Ich würde das Buch sehr empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Best Book yet!!! Von Pamela Elliott OI so enjoyed reading this book. My friend recommended her to me and I carried, laughed, learned and had such vivid dreams of the reading material. She is one terrific writer. I hope to read more of her novels soon.

Kurzbeschreibung A magnificent saga of two proud and powerful families one British, one African and their battle over Kenya's destiny in the twentieth century. In 1917, Dr. Grace Treverton arrives in Kenya, determined to bring modern medicine to the African natives. Her brother, Sir Valentine Treverton, has his own dream for the British protectorate: to establish an agricultural empire to rival any in England. The aspirations of the wealthy Trevertons collide with those of the Mathenge tribe, an African family that has lived on the land for years. Grace soon finds a deadly rival in Mama Wachera, an African medicine woman who fights to maintain native traditions against the encroaching whites. After Wachera curses the Trevertons, a series of tragedies threatens to destroy what the once-great family fought to create. But the fates of future generations of these two remarkable families are inextricably bound. A bold and brilliant achievement, *Green City in the Sun* brims with all the drama, violence, and fierce beauty of the Kenyan landscape.
