KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great !Von Ein KundeI loved this book.... i bemoan the fact that Karen Robards seem to have move away from sprawling historials to modern romance/suspense...although i enjoy those books as well. The setting was different with Srinagar and a tea plantation . The romance was fanatastic and they do feel for julian who feels he has to compete with Ana's deceased husband Paul, whioo happens to be his half brother! the4 ending was spooky and different but overall the

book was a night of reading pleasure !0 von 0 Kunden fanden die folgende Rezension hilfreich. Julian was great! Von Ein Kunde I enjoyed the story mostly because of Julian. He was a likeable hero and extremely sexy. Ana seemed sweet but took a little too long to realize her love for Julian. And why did she always call her daughter "chicken?" The ending was a bit much for me too. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Completely Wonderful Von Ein Kunde Another classic by Robards. The characters are great. Julian is strong and romantic! Anna is strong and yet sweet. The setting is lush and mysterious with many great plot twists. Julian can break into my house anytime!

Kurzbeschreibung Young, beautiful, and destitute, widowed Anna Traverne finds herself at the mercy of her brother-in-law Lord Ridley, who offers her and her little daughter a home for a price: Anna must become his mistress.

Frightened, revolted, gently bred Anna can see no way out until a handsome jewel thief breaks into Gordon Hall in search of a fabled set of emeralds. Surprised by Anna in the act of purloining the jewels, Julian Chase is captured and carted off to Newgate to hang for the theft. The emeralds remain missing; despite being tortured, Julian insists he has no idea where they are. By the time he manages to cheat the hangman, though, Julian has figured out what must have happened: the green-eyed angel whose screams led to his downfall had to have taken them. And he is right: finding herself in possession of the emeralds after Julian's capture, Anna seizes on the chance to escape from Lord Ridley and flees to the tea plantation in Ceylon that is her home. But once Julian knows the truth, he comes after her, traveling halfway across the world to reclaim what he feels is rightfully his and to take a sensuous revenge on the larcenous young beauty whose fate he now holds in his hands. My first book was a ten-page effort written at age five for my grandmother. Throughout grade school, high school and college I wrote for various school publications. When I was eighteen, my first professionally published piece, a humorous anecdote, appeared in *Readers Digest*. Still, it never occurred to me that I might become a professional writer. I aimed for a career as a lawyer and was actually in law school when I sold my first book. When that happened, the world lost a would-be lawyer and gained a writer. That book, which is still in print, is *Island Flame*, and it was published when I was twenty-four. Since then, I've written over forty books, which regularly appear on the New York Times, USA Today, and Publishers Weekly bestseller lists, among others. The mother of three sons, I read, I write, and I chauffeur children. That's my life. *Pressestimmen* "Karen Robards writes spellbinding romance." -- "Publishers Weekly" "Gives the reader incomparable sexual tension" -- "Affaire de Coeur" Kurzbeschreibung Young, beautiful, and destitute, widowed Anna Traverne finds herself at the mercy of her brother-in-law Lord Ridley, who offers her and her little daughter a home for a price: Anna must become his mistress.
