Interesting follow-upVon Helen HancoxThis is the second book in this series by Claire Delacroix and an improvement on the first instalment, 'Fallen'. That book took a long time to get going but 'Guardian' started well with our heroine,

Twenty-Three, being kidnapped by a mysterious man. The man calls Twenty-Three 'Delilah' and seems to know things about her. He's Rafe and is mysterious for various reasons, one of which is that he has no memory of his life before a year previously. Someone is instructing Rafe what to do but he doesn't know who that someone is or what their motives are. Delilah knows that she is the Oracle, a woman who is meant to help guide the President of the Republic and who speaks the words of God through the help of angels. But her situation is fairly dire as there is a false Oracle and consequently a price on Delilah's head. Can she trust Rafe? Will Rafe find out who he is? Can Delilah be installed as the Oracle? This was an enjoyable read with fast pacing and the interesting background setting of the former novel. Rafe and Delilah's relationship was well-written and although I felt there were a few plot holes it was overall an exciting and imaginative book. Originally published for Curled Up With A Good Book Helen Hancox 2009

Kurzbeschreibung At the end of the 21st century, the future of humanity hangs in the balance, caught between the radioactive waste of a half century of nuclear wars and the repressive authority of the Republic. Angels sacrifice their wings to join a secret fraternity of freedom fighters, risking classification as mutants and consignment to the Republic's slave dens. Each warrior is a volunteer, but no angel anticipates the full cost of his fall. The eyes of the Republic are everywhere. Delilah Desjardins knows she is fated to become the new Oracle of the Republic even if unseen enemies will murder her to prevent that from happening. When her former haven is destroyed and she finds herself on the run, Delilah doesn't know where to turn. Rafe is a fallen angel, charged with protecting Delilah and ensuring she meets her destiny even if she doesn't believe he's only there to help. The powerful attraction between them makes Delilah doubt her ability to resist Rafe's charm and the price she could pay for pleasure. She flees Rafe's protection, but that only sets assassins on her trail. As Rafe races to save Delilah, he knows he isn't just saving her for the good of the Republic he's saving her for himself. This edition includes an excerpt from REBEL, book #3 in the Prometheus Project. This series was previously published under the pseudonym Claire

Delacroix. Pressestimmen "Chillingly good!" - Romantic Times Book s Kurzbeschreibung At the end of the 21st century, the future of humanity hangs in the balance, caught between the radioactive waste of a half century of nuclear wars and the repressive authority of the Republic.
