AwesomeVon SiniFis***I received this book in exchange for an honest review from the Author and the Lovers of Paranormal Group on Goodreads.com***Lily is a guardian for her pack. But since killing a human, she turned by

accident, she is out of duty by own choice. No more guardian and no more intimacy for her. This turns when she meets Kieran. Kieran is done waiting for Lily who he wanted for more than 2 years. He wants her and he wants her now. When she comes to him in a bar, he knows now is the time to help Lily to get over what happened. Why is it so short?! I loved it. I could have read another 200 pages with Lily and Kieran. It was a great story and just not enough. I love that Kieran waited for her to come to terms with what she did and is now there to help her getting over it and accept her role as a guardian again. The tension between these two was just amazing. 0 von 0 Kunden fanden die folgende Rezension hilfreich. too short, not enough plot/storyline Von Hoener, Birgit A steaming shifter story, too short in my opinion. Good characters, though, and there seemed to be a plot around all the steaming parts :) I could have wished for a bit more "filling" storyline around that, but otherwise it was okay. It could have done with some editing regarding spelling errors and grammar.
