nah..Von Najlaemerson baxter is a whining, annoyingly immature, self-pitying, selfish little brat. marcus cane is such a wuss and the other angels quite colourless too, except for _maybe_ ameana jones.no way i'm going to read another book of this series. i didn't care for the characters and i didn't like the story (line).1 von 2 Kunden fanden die folgende Rezension hilfreich. Really enjoyedVon kitten0bI really enjoyed the story and looking forward to next book it is a nice light read.I enjoyed the characters and love story. I fell right into the story being told and at times it was like you were just there. I thought the plot was good and unfolded well and think this is an addictive series.. as it free at the moment definately recommend trying it especially if you are in to YA books..0 von 1 Kunden fanden die folgende Rezension hilfreich. sends your heart pulsing out of controlVon Al-Khemet Book ClubI loved how the story progressed. Kurzbeschreibung***** With two million copies downloaded and over 500 five-star reviews, The Guardians series is a must read for fans of A Shade of Vampire, Twilight and The Mortal Instruments.*****Fifteen year-old Emmy Baxter is certain nothing exciting will ever happen to her. That is until she is viciously attacked by hoards of demons on her way to class. A team of powerful angels, who earlier posed as her classmates, comes to her rescue.Emmy soon learns that her name is the only clue given in the quest to find the location of a sacred map that shows the way to the bridge of souls. If evil gains access to the souls, it will use them to create an army and annihilate the world. Emmy has no idea where the map could be or why her name was given as a clue. But that doesnt stop evil from hunting her all over the posh Upper East Side of New York City.While battling evil and still trying to make it to class on time, Emmy finds herself falling hopelessly in love with team leader; Marcus Cane. Emmy is shocked to find out that Marcus is deeply in love with her. Unfortunately, the teams all-knowing guide makes a frightening prophecy: "If Marcus and Emmy unite, the world will burn" Will Emmy and Marcus stay away from each other if it mean saving the world? Or will they give into their all-consuming love? If being with the one meant the end of all things, could you stay away?
