A fantastic tour de forceVon ClownkrustyWell, Carl Morck is back again. imo a very interesting and controversial topic. Once you start reading it's hard to stop. The ending was more than surprising although you might suspect from the

very beginning that things aren't always what they seem to be. anyway, Assad is doing a great job, too. Things are getting weirder and weirder. Can't wait to read part 5. In the meantime I have to wait for Nesbo's new book "The son". A must-read for fans of Scandinavian crime fiction.0 von 0 Kunden fanden die folgende Rezension hilfreich. Alle drei sind so wundervoll schrg. Vielleicht gewhnt man sich auch einfach an sie, aber das ist es nicht nur. Sie sind schrg und ganz schn kaputt und beraus liebenswert. die Bcher sind nichts fr diejenigen, bei denen das Blut aus den Seiten tropfen muss. Mein Mitbewohner z-B- findet das Buch langatmig und vielzu psychologisch. Wer Hakan Nesser mag, wird auch Adler Olsen mgen, meine ich.
