Von Faye Kellerman : Gun Games: A Decker/Lazarus Novel (Peter Decker and Rina Lazarus Series Book 20) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gun Games: A Decker/Lazarus Novel (Peter Decker and Rina Lazarus Series Book 20) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. Trouble

at School - Bullying and Dealing in the Better Classes Von Kundenrezensionen ATTENTION!! This book is identical with the US-title "Gun Games"!! While Gabe who has been taken in by the Deckers is vomiting to grips with his new surroundings a teenage boy from a nearby school is found in his room with a gun near his hand and a hole in his head. Since the mother doesn't believe in suicide, she involves Peter Decker and his men and women and since the weapon used had been stolen years ago, he finds a reason to justify an investigation. Then another teenager dies by her own hand which also has also held a stolen gun. So the investigation takes up speed. Meanwhile Gabe - son of a crimelord - finds the blossoms of first love in an unlikely place. Gabe Whitman is the main-character in this novel and it comes off well. His strange background and his search for identity in a very complex environment is really nice to read as well as the story of his first true love. Quite a lot of reading-fun.

Impressive Character Development, Strong Plot Lines, and Smooth Storytelling Von Donald Mitchell "The LORD bless you and keep you;" -- Numbers 6:24 (NKJV) After reaching the ripe old age of thirty-five, I'm sure that most people look back at their teenage years in wonder at how they ever survived all the crazy things that they and others did. Gun Games takes square aim at many of the biggest challenges of the high school years . . . sexual attraction, secret behaviors out of sight of adults, living a persona, avoiding trouble from other teens, and controlling strong impulses. Ms. Kellerman does so with such a sure hand and sympathetic touch that you'll be drawn into the story . . . even if reading about teenage problems isn't your usual cup of tea. Although it's not necessary to have read Hangman, I believe that your enjoyment of Gun Games will be significantly increased by having absorbed that book before reading this one. One of the most impressive aspects of this book is how comfortably Ms. Kellerman narrates the parts of the story that feature Gabe Whitman, the fifteen-year-old musical prodigy temporarily living with Peter Decker and Rina Lazarus. Her touch is almost as deft with including other teenaged boys into the story. If her name didn't appear as the author, some, I'm sure, would just assume that this book was written by a man. The writing is almost as impressive with two of the parents. Some may fault the story as being too extreme. I didn't find it so . . . remembering quite clearly the times when death lurked nearby in my teenaged years as well-armed adolescents went out to do harm to one another. There's a lot of police procedural involved. Some will find that it's too much, as a rapid investigation is described in detail that repeats much of what is known by the reader from earlier events in the book. I found the "almost second telling" to be quite interesting for demonstrating how carefully designed the plot was. I had an almost irresistible urge to provide a standing ovation when I finished the book. Ms. Kellerman has always been an excellent writer. In her most recent books, it's increasingly clear that she is in the process of becoming a truly outstanding one. Brava, Ms. Kellerman!

His strange background and his search for identity in a very complex environment is really nice to read as well as the story of his first true love. Quite a lot of reading-fun.

Kurzbeschreibung [Kellerman] does for the American cop what P. D. James has done for the British mystery, lifting it beyond its genre. Richmond Times-Dispatch No one working in the crime genre is better. Baltimore Sun In Gun Games, the sensational Faye Kellerman once again showcases Peter Decker of the LAPD and Rina Lazarus, arguably the most popular husband and wife team in contemporary crime fiction. A rash of shocking adolescent suicides at an elite Los Angeles private school is at the heart of this gripping thriller that also focuses on the troubled teen Decker and Lazarus have brought into their home: Gabriel Whitman, the son of a psychopath. Herself one-half of one of noir fiction's true power couples along with her husband, acclaimed mystery writer Jonathan Kellerman Faye Kellerman once again demonstrates how American police procedural writing is done to perfection with Gun Games. Pressestimmen 'Kellerman is an excellent writer' The Times 'Very exciting' Daily Mail 'Brutal but thoughtful and well-plotted, fast-moving and well told' Observer 'Sensational' Mirror 'Kellerman creates a claustrophobic atmosphere, against a background of seediness, violence and distrust' Sunday Telegraph 'Kellerman moves her gritty mean streets LA plot along with breakneck pace' Irish Independent Kurzbeschreibung [Kellerman] does for the American cop what P.
