review after a week full of sleepless nights and emotional turmoil because I read all five books of the Guns N' Boys series back to back. I have had this series on my radar for a while now but somehow never got around to reading it until last week. And thank God I did. Boy was I missing out! Seth Villani is the son of the Don of the Sicilian mafia and lives a sheltered life in the US, away from his family. The first book starts with Seth being kidnapped and held for ransom. He is saved by Domenico Acerbi, an assassin for the mafia. When Seth sees Dom, he immediately feels an attraction toward him and how could he not? Dom is one hot assassin. After Seth is rescued, he is sucked into the life of his family even though he wants nothing to do with it. When Seth is picked out to be the next Don, Domenico is assigned as his protector. He is also supposed to train him and prepare him for his life as the new Don because Seth Villani is about as innocent as they come. Now this is where things get interesting! While on a mission together, things between Dom and Seth start to get hot and heavy. They start a whirlwind romance full of jealousy, obsession and adventure. Domenico Acerbi *sigh.* He is the most perfect character I have ever read about. Hot, gorgeous and morally corrupt. Trained as an assassin for the mafia, he does everything in his power to protect Seth, no matter the cost. He is all alpha male. And yet, when it comes to Seth, we get to see his softer side. Let me tell you, the romance between these two is a beautiful thing to witness! With the Guns N' Boys series, KA Merikan have created an amazing series that does not just contain an intense romance between two kick-ass characters, but also lots of action, adventure and cool side characters. KA Merikan's writing is beautiful and their characters well fleshed out. The way they describe the emotions of each character and the action scenes..at no point in all the five books was I ever bored. In fact, I had a really hard time putting them away for those pesky necessities such as eating and sleeping. This series with its complex characters and interesting storyline has definitely joined the ranks of my favorite books ever! It is one hell of a crazy read. It is filled with dark humor, mafia action, blood and death, dubious-con sex and morally corrupt characters. There is so much wrong in this series it's right! It's simply fabulous! 0 von 0 Kunden fanden die folgende Rezension hilfreich. bad boys are hot... Von Customeri loved the banter between those two very funny although it really surprised me that Seth grew up so innocent being surrounded by the cruel world. reading the last chapter I wanna know their relationship when they were younger... How Domenico turned out to be so cruel and Seth so adorable... His innocence is killing me but I hope he's going to cope hopefully his love will be strong enough to conquer the world... although thinking back Dino's carefree personality reminds me a bit of Seth maybe it won't be so bad... In my opinion this whole thing is a great setup hopefully they are going to survive! and I loved Silvio's appearance...

Kurzbeschreibung Love is sour like a Sicilian lemon. The Family is always right. The Family doesn't forget. The Family pays for blood in blood. Domenico Acerbi grew up in the shade of Sicilian lemon trees ready to give his life for the Family. Ready to follow orders and exceed expectations. A proud man of honor. When Seth, the younger son of the Don is kidnapped, it's Domenico who is sent to get him back. The man he finds though, is not the boy he knew all those years ago. Lazy, annoying, spoiled, and as hot as a Sicilian summer. Seth Villani wants nothing to do with the mafia. Unfortunately, he doesn't get a say when the Family pulls him right back into its fold after his mother's death. Thrown into a den of serpents otherwise known as the Villani Family, Seth has to find a way to navigate in the maze of lies. But when Domenico Acerbi, the most vicious snake of them all, sinks his fangs into Seth, the venom changes into an aphrodisiac that courses through Seth's veins. Domenico knows his life is about to change when he gets the order to train Seth up to the role of future Don. Seth isn't made for it. He isn't even made. But a man Domenico knows he would never have to fear might just be someone he's always needed. If Seth is doomed to follow in his father's footsteps, he might as well enjoy himself with the most intoxicating man he's ever met. Maybe he can even fool himself into believing that Domenico isn't a handsome sociopath who kills for a living. POSSIBLE SPOILERS: Themes: Enemies to lovers, mafia, homophobia, assassin, organized crime Genre: Dark, twisted romance / crime thriller Length: 110,000 words WARNING: Adult content. Sizzling hot scenes. If you are easily offended, this book is not for you. 'Guns n Boys' is a gritty story of extreme violence, offensive language, abuse, and morally ambiguous protagonists. Behind the morbid facade, there is a splash of inappropriate dark humor, and a love story that will crawl under your skin. What reviewers say: "The passion and heat in this story is beyond measure and had us fanning ourselves with our kindles. There's nothing dainty, pretty nor lie back and think of England when these guys get it on. There's pure animalistic passion!" - Jenny and Gitte, Totally Booked "Guns N Boys is a super-hot, incredibly well-written, steamy thriller. If you want to move outside your comfort zone and you love M/M books, then I highly recommend Guns n Boys." - The Book Belle's Kurzbeschreibung Love is sour like a Sicilian lemon. K. A. Merikan is the pen name for Kat and Agnes Merikan, a team of writers, who are taken for sisters with surprising regularity. Kat's the mean sergeant and survival specialist of the duo, never hesitating to kick Agnes's ass when she's slacking off. Her memory works like an easy-access catalogue, which allows her to keep up with both book details and social media. Also works as the emergency GPS. Agnes is the Merikan nitpicker, usually found busy with formatting and research. Her attention tends to be scattered, and despite pushing thirty, she needs to apply makeup to buy alcohol. Self-proclaimed queen of the roads. They love the weird and wonderful, stepping out of the box, and bending stereotypes both in life and books. When you pick up a Merikan book, there's one thing you can be sure of: it will be full of surprises.
