Don't pointiert of view... He's crazy but also Seth's people are crazy hehe... Hopefully there will be a continuation of this series U love those two their banter is hilarious and all because Seth is really stupid somehow with his henhouse and a farm maybe his dreams will come true now

KurzbeschreibungGuns n' Boys is a series about one couple and needs to be read in order.-- You can take a killer's memory, but not his instinct --All Seth wants is to live free with the man he loves. But escaping death at the hands of the mafia is just the beginning of an uphill struggle. When Domenico wakes up from his impromptu surgery and doesn't even remember Seth's name, Seth's world falls apart. Suddenly it's him who has to plan an escape from New York City and navigate their way to Mexico. All that without even knowing if the man of his life will ever love him again. Domenico doesn't know who to trust and what to believe. The man who introduces himself as his brother seems to hide dark secrets behind a cheerful smile. With the mafia breathing down their necks, there is no time to piece together the puzzle of Domenico's life, and each time he thinks he's solved it, a new part appears to be missing. Dom needs to find out who he really is, what he's capable of... and what is the real story hidden behind Seth's intense eyes. POSSIBLE SPOILERS: Themes: mafia, homophobia, assassin, organized crime, amnesia, road trip, chase Genre: Dark, twisted romance / crime thriller Length: ~88,000 words WARNING: Adult content. Sizzling hot scenes. If you are easily offended, this book is not for you. Guns n' Boys is a gritty story of extreme violence, offensive language, abuse, and morally ambiguous protagonists. Behind the morbid facade, there is a splash of inappropriate dark humor, and a love story that will crawl under your skin. Merikan is the pen name for Kat and Agnes Merikan, a team of writers, who are taken for sisters with surprising regularity. Kat is the mean sergeant and survival specialist of the duo, never hesitating to kick Agnes's ass when she's slacking off. Her memory works like an easy-access catalogue, which allows her to keep up with both book details and social media. Also works as the emergency GPS. Agnes is the Merikan nitpicker, usually found busy with formatting and research. Her attention tends to be scattered, and despite pushing thirty, she needs to apply makeup to buy alcohol. Self-proclaimed queen of the roads. They love the weird and wonderful, stepping out of the box, and bending stereotypes both in life and books. When you pick up a Merikan book, there's one thing you can be sure of: it will be full of surprises.
