Her USA Today bestselling Gypsy Brothers series focuses on a morally bankrupt biker gang and the girl who seeks her vengeance upon them. The Cartel series is a prequel trilogy of full-length novels that explores the beginnings of the club, to be released worldwide in print and ebook in 2015 by HarperCollins. Lili quit corporate life to focus on writing and so far is loving every minute of it. Her other loves in life include her gorgeous husband and beautiful daughter, good coffee, Tarantino movies and spending hours on Pinterest. She loves to read almost as much as she loves to write.
