Von Seanan McGuire : Half-Off Ragnarok: Book Three of InCryptid before purchasing it in order to gage whether or not it would be worth my time, and all praised Half-Off Ragnarok: Book Three of InCryptid:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Wie zu erwarten...Von BillieJoErfrischend sarkastisch und mindestens so fesselnd wie Verity's Story. Auf die Fortsetzung mit

dem sympathischen Nerd bin ich bereits gespannt.

Kurzbeschreibung The third book in New York Times–bestselling Seanan McGuire's witty urban fantasy InCryptid series about a family of cryptozoologists who act as a buffer between humans and the magical creatures living in secret around us. "The only thing more fun than an October Daye book is an InCryptid book." Charlaine Harris, #1 New York Times–bestselling author of Sookie Stackhouse series
Cryptid, noun: Any creature whose existence has not yet been proven by science. See also "monster."
Cryptozoologist, noun: Any person who thinks hunting for cryptids is a good idea. See also "idiot."
What do gorgons, basilisks, and frogs with feathers all have in common? They're all considered mythological by modern science, and some people are working very hard to keep them that way. Alexander Price is a member of a cryptozoological lineage that spans generations, and it's his job to act as a buffer between the human and cryptid worlds—not an easy task when you're dealing with women who have snakes in place of hair, little girls who may actually be cobras, and brilliant, beautiful Australian zookeepers. And then there's the matter of the murders... Alex thought he was choosing the easier career when he decided to specialize in non-urban cryptids, leaving the cities to his little sister, Verity. He had no idea what he was letting himself in for. It's a family affair, and everyone—from his reanimated grandfather to his slightly broken telepathic cousin—is going to find themselves drawn in before things get any better.
Pressestimmen Smart, whimsical and biting funny, Verity Price is a kick-ass heroine that readers will love. (Molly Harper) Verity is a winning protagonist, and her snarky but loving observations on her world of bogeyman strip club owners, Japanese demon badger bartenders, and dragon princess waitresses make for a delightful read (Publishers Weekly) Incredible fun. (Charles Stross)
