Von Ellen Hart : HALLOWED MURDER (Jane Lawless Mysteries Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised HALLOWED MURDER (Jane Lawless Mysteries Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This is one of the truly rare mysteries...Von Tim R. Nileswhere every paragraph leaves a distinct impression. Ellen Hart

writes with a deft sense of place and time which mysteries often lack. She has also crafted her main characters well to convey a sense of friendship, intimacy, and an amazing sense of humor. This not only fine writing within the mystery format, it is fine writing, period. Needless to say, the lesbian element was handled beautifully. This is the kind of statement about gays which should be made because it transcends the garish, tabloid styles of too much of the media (or, counter-media) and presents the human side... of human beings. Clever plotting; rare character subtleties; solid, often unexpected, humor; special insights; an unusual location with deft understanding of the urban university society. Yes. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A truly original mystery ... with a great protagonist. Von Ein Kunde I don't know who I liked more, the lesbian sleuth Jane Lawless or her slightly overweight (yeah!) buddy Cordelia! More than just a "whodunnit," this book is part character study, part Minnesota travelogue, and very much a good read. I thoroughly enjoyed it.

Kurzbeschreibung: Almost winter in Minnesota. As the icy cold begins to grip the Twin Cities, restaurant owner, Jane Lawless, and her eccentric sidekick, Cordelia Thorn, are caught up in a spiraling chain of events centering on the university sorority, Kappa Alpha Sigma. Allison Lord, a popular sorority member with a secret, is killed and the murderer continues to stalk the house amid charges of theft, lesbianism and religious intolerance. Featuring a memorable cast of characters and an intriguing inside view of the dark undercurrents of sorority life, this page-turning mystery by newcomer, Ellen Hart, is full of suspense and surprise.
