**Von M.C. Beaton : Hamish Macbeth Omnibus (Books 1-4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hamish Macbeth Omnibus (Books 1-4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. If a murder mystery could be called cosy, it would be this one.Von mtyHamish mcbeth at his best. A murder mystery set in the scottish highlands to be read on a rainy day with a glass of whisky.3 von 3 Kunden fanden die folgende Rezension hilfreich. leichte Kost fr Highland fansVon efrizWer weniger auf suspense und unertrgliche Spannung bzw. grausige detailschilderungen wert lagt, dafr aber bei Krimis humor, und liebevoll gestaltetes setting liebt, noch dazu in die schottlischen Highlands verliebt ist und den dortischen Typus von Bewohner schtzt, hat mit der Krimiserie

von M.C. Beaton und seinem Helden Mc Beth, der nichts mit dem Shakespeare'schen Vorbild gemein hat, sicher sein Vergnügen und wird auch nach abendlicher Lektüre gut schlafen können ohne dass Alpträume ihn quälen. 2 von 2 Kunden fanden die folgende Rezension hilfreich. It depends... Von AnRu Wie viele Sterne würde ich diesem Omnibus geben? Kommt drauf an! Als Krimifan? Höchstens drei. Die Handlung ist vorhersehbar, die Opfer machen sich in jedem Buch so unglaublich unbeliebt, dass ich selbst als Leser froh war, sie los zu sein (was natürlich kein Grund für Mord ist, aber schließlich ist es ein Krimi....) und einige Formulierungen wiederholen sich mit einer solchen Stereotypie, dass ich sie nach dem vierten Band auswendig konnte. Aber als Schottland-Fan? Fünf Sterne! Es macht einfach Spaß, in die Welt von Lochdubh einzutauchen. Die skurilen Typen und dazwischen der sympathische Hamish hinterlassen das wohlige Gefühl eines langen Spaziergangs durch die schottischen Highlands (bei schönem Wetter und ohne Gnitzen). Die ersten vier Bände, die dieser Omnibus umfasst, sind lesenswert für alle, die nicht zu viel Blut und Spannung erwarten und bei den Midsummer Murders nicht nach zehn Minuten einschlafen, sondern Lust auf die nächste Reise bekommen.

**Kurzbeschreibung** Death of a Gossip When society widow and gossip columnist Lady Jane Winters joins the local fishing class she wastes no time in ruffling feathers - or should that be fins? - of those around her. Among the victims of her sharp tongue is Lochdubh constable Hamish Macbeth, yet not even Hamish thinks someone would seriously want to silence Lady Jane's shrill voice permanently - until her strangled body is fished out of the river. Now with the help of the lovely Priscilla Halburton-Smythe, Hamish must steer a course through the choppy waters of the tattler's life to find a murderer. But with a school of suspects who aren't willing to talk, and the dead woman telling no tales, Hamish may well be in over his head for he knows that secrets are dangerous, knowledge is power, and killers when cornered usually do strike again. Death of a Cad When Priscilla Halburton-Smythe brings her London playwright fiancé home to Lochdubh, everyone in town is delighted... except for love-smitten Hamish Macbeth. Yet the affairs of his heart will have to wait. Vile, boorish Captain Bartlett, one of the guests at Priscilla's engagement party, has just been found murdered - shot while on a grouse hunt. Now with so many titled party guests as prime suspects, each with their own reason for snuffing out the despicable captain, Hamish must smooth ruffled feathers as he investigates the case... and catch a killer, before they fly the coop! Death of an Outsider The most hated man in the most dour town in Scotland is sleeping with the fishes, or - more accurately - has been dumped into a tank filled with crustaceans. All that remains of the murdered victim are his bones. But once the lobsters have been shipped off to Britain's best restaurants, the whole affair quickly lands on the plate of Constable Hamish Macbeth. Exiled to the dreary outpost of Cnothan, Macbeth sorely misses his beloved Lochdubh, but before he can head back home he has to contend with a detective chief inspector who wants the murder hushed up, a dark-haired lassie who is out to seduce him, and a killer who has made mincemeat of his last victim, and will no doubt strike again... Death of a Perfect Wife Hamish Macbeth is savouring the delights of a Highland summer, but as fast as the rain rolls in from the loch his happy life goes to hell in a handbasket. The trouble begins when his beloved Priscilla Halburton-Smythe returns to Lochdubh with a new fiancé on her arm. His miseries multiply when clouds of midges descend on the town. And then a paragon of housewife perfection named Trixie Thomas moves into Lochdubh with her cowed husband in tow. The newcomer quickly convinces the local ladies to embrace low-cholesterol meals, ban alcohol and begin bird-watching. Soon the town's menfolk are up in arms and Macbeth must solve Lochdubh's newest crime - the mysterious poisoning of the perfect wife.
