Von Philip Kerr : Hand Of God (A Scott Manson Thriller) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hand Of God (A Scott Manson Thriller):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Jolly good readVon Kaspar HauserAs the first book of the series, this book combines a classical suspense plot with witty insights about football. Moreover it is set in today's (2015) crisis-ridden Greece, so there are lots of references to current issues giving this read an extra twist. Well done, Mr. Kerr!0 von 0 Kunden fanden die folgende Rezension

hilfreich. Good story Von Jack Zeck Philip Kerr is one of my favourite authors and now he has started to write books that are playing in the Football area. This is the second of three with Scott Manson as main character. What starts as a Sports novell is suddenly a crime with a pretty good plot. Kerr uses known Teams, structures , leagues etc. so that you are familiar with the Scenario from the Pemier league; Greek league , Euro Championsships. (He never mentions Chrystal Palace- one star less)By using in relality non-exisiting "London City" as the Club he is working for he can write his plot in a known Football Environment. I will not talk about the plot itself, does not want to spoil anything. Let me oput it this way - Good Scenario, Kerr is a Football Lover, great crime Story. Good book. PS - Sorry for the lousy english, actually I'm German and tried to improve with reading this in original language. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fuball Von 007 Ein Krimi aus der Fuballszene. Leichte Kost, aber interessant wegen der Einblicke ins internationale Fuballgeschft. Ist zwar Fiktion aber man erkennt schon viele Typen wieder.

Kurzbeschreibung The beautiful game just got deadly. London City is playing in Athens, and football manager Scott Manson is keeping his team on a tight leash. He needs them home in one piece for a crucial match at Silvertown Docks. But Scott didn't plan for death on the pitch. As the Greek authorities are mounting a murder investigation, Scott must find the truth and fast to get his boys home in time. Pressestimmen 'Kerr is so good a writer ... and he knows his football ... A good, entertaining read' When Saturday Comes. 'An absorbing mix of football, whodunit, sex, violence all interspersed with a strong dollop of humour' Best Selling Crime Thrillers. 'A slick, stylish PI-type thriller, with plenty of wit. It'll certainly please any football fans out there who also enjoy reading fiction' CrimeWorm. 'As far as football novels go, this is a good one' Four Four Two. 'We don't expect a football thriller from the multi-talented Philip Kerr, but it is hardly a matter of surprise that he pulls it off with aplomb and keeps it interesting' Good Book Guide. 'Highly entertaining soccer thriller ... packed with insight at how grubby and cynical the beautiful game has become' Irish Independent. 'A first-rate whodunit' Sunday Post.
