Von Terra Kelly : Hannah's Story: A Second Chance (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hannah's Story: A Second Chance (English Edition):

Kurzbeschreibung Looking back one last time at the home that used to hold everything she loved, Hannah Blaine turned back toward the road. Her lucky cowboy boots made impressions in the dirt path with each step. After 15 years with the only man she ever loved, it was time to go back home to Louisville. She hoped heading back to where her life began would help ease the pain from that horrific day. Hannah's heart was, and always would be, with her husband. Hollis Ackers could care less about women. Hell, he didn't care about anyone. When his mother, the only woman he ever loved, died, he became numb inside. Motorcycles became his life, and the Louisville Biker Group was the perfect stand-in family. When miss country-girl-in-her-cute-ass-cowboy-boots spills coffee on him it shouldn't mean a thing. Or will it? When two people who lost the will to love meet, what will happen? Can new love really heal all the pain? ** For 18 and older only, mature content. **

ber den Autor und weitere Mitwirkende Terra loves walking her dog, snuggling with her two cats, and relaxing with her amazing hubby. A steamy romance book is never far from her grasp, and 2:00 a.m. seems to be the sweet spot to finally put a book down and sleep. She laughs loudly, smiles often, is a bit of a klutz, and tries to always find the positive in everything. Writing was not on the list of must-dos for her career, but she always had stories swirling around her mind. Now, today she couldn't imagine her life without writing. She enjoys writing when the mood strikes, and will stay up late to get all her thoughts out. When she's not writing, she's creating recipes and learning all about bourbon and wine. Terra has had a food blog for over five years, at www.cafeterrablog.com. That's why you will find recipes made by the characters in each of her books. Each recipe has been tested and devoured! She considers herself a bourbon and wine lover. Each book will express her love for both types of alcohol, along with beer thrown in the mix. She loves hearing from her readers, please stop by one of her social sites and say hello!
