Emilie Richards takes four women that have absolutely nothing in common, except that each one has a problem that they do not know how to deal with, and slowly but surely turns them in to friends in a very realistic way.The author wrote a wonderful feel good book that is complex and extremely thorough in describing her characters and their lives.jeanne

Kurzbeschreibung Meet four women who think they share nothing but a spit of land called Happiness Key. With her husband in prison, pampered Tracy Deloche is left with five ramshackle beach houses and no idea how to start over. Janya Kapur left her close-knit Indian family for an arranged marriage to a man she barely knows. Wanda Gray takes a job guaranteed to destroy her already failing marriage if her husband cares enough to notice. Widow Alice Brooks has grown forgetful and confused. Her family comes to stay with her, but Alice isn't sure she's grateful. When the only other resident of Happiness Key dies alone in his cottage, the four women warily join forces to find his family. Together they discover difficult truths about their own lives and the men they love and uncover the treasure of an unlikely friendship.

ber den Autor und weitere Mitwirkende Emilie Richardss many novels feature complex characterizations and in-depth explorations of social issues. Both are a result of her training and experience as a family counselor, which contribute to her fascination with relationships of all kinds. Emilie and her husband enjoy dividing their time between the Florida Gulf Coast and Chautauqua County, New York. She is currently working on her next novel for MIRA Books.
